Purpose of the Equity Advocacy Groups:
(From the EAAC Charter) The daily lives of students and their experiences of inequity have persisted since BSD began to formalize its equity work almost a decade ago. The EAAC will bring a focus on social justice and equity to advocate on behalf of all students in the BSD, with an emphasis on students of color, particularly our Black and Latino students; students with disabilities; and multilingual learners. Advocacy work may include:

1. Identify topics/issues for district focus using the District's *Equity Commitments* as a framework
2. Meet with BSD staff, students, and families to understand current experiences related to equity, social justice, and equitable academic and social emotional outcomes
3. Advise and advocate for policies, practices, programs, and plans that honor the inherent humanity and racial, social, and cultural identities of every student in the broader BSD community
4. Advise and advocate on the implementation of equity commitments, current issues, and narratives
5. Advocate, educate, and engage in equity dialogues in the community
