~ September 15, 2023 ~ Newsletter #5 ~

**A LOOK AT LEADERSHIP** – Each week we will feature a Leadership related lesson or activity occurring at Fenton Charter Leadership Academy. In this section of the newsletter, you will find the most recent, innovative, and creative events and activities happening at FCLA. This week we are excited to share a lesson that involved our first grade students. FCLA leaders know routines and procedure! Students have already been in school for one month and these first graders have been showing how well they follow routines in the classroom. Leaders know how important staying organized and safe is. We have been practicing working together and being safe in the classroom and the yard. By understanding how to follow routines and

procedures everyone can have fun while staying safe. Being a leader takes practice and these first graders from Mrs. McCaughin and Ms. Baez's classrooms have been working hard. Way to go FCLA 1st grade leaders!

**ON TIME EVERY DAY** – Regular and consistent attendance at school not only enhances your child's academic achievement, it helps our students build routine, become independent learners at the school, strengthens self-confidence, and strengthens a child's bond with the love of learning. Your continued support in getting your children to school daily and on time is greatly appreciated. Please call the school's main office (818) 962-3636 or contact your child's teacher by 9:30am, if you believe your child will be absent. This allows your teacher enough time to prepare their missing assignment, create and Independent Study and allows your child to stay up to date on their work - helping the students stay accountable for the work they are missing.

**FALL PARENT NIGHT MEETING (IN PERSON)** – Please join us in our multipurpose room on Tuesday, September 26, 2023 from 5:00-6:00pm for our Fall Parent Night Meeting. Our team will share important schoolwide updates for the year ahead. We look forward to seeing you there!
