A NEW PLAYGROUND – The Fenton Academies students are enjoying their expanded, and engaging playground. Students have participated in new activities and games, with many more to be introduced in the coming weeks. Ensuring a safe and enriching learning environment both inside and outside the campus is critical for student success. We are fortunate to provide this space for our amazing scholars. Thank you to our parent community for your patience and flexibility as we develop systems for an efficient drop off and dismissal from our new playground.
