

Our Vision

To affirm and inspire
each and every student
to learn and thrive
as creators of their future world

Creators of Their Future World

What if…

The **Bellevue School District Strategic Plan**

prepared our students to

cure disease,

eliminate poverty,

protect the planet,

eradicate violence,

and

end prejudice, hatred, and cruelty?

Our Beliefs...

Education can change the world.

All children have unlimited potential.

All kids are Creators of Their Future World.

Creators of Their Future World

Global Competency

- **Investigate the world beyond their immediate environment,** framing significant problems and conducting well-crafted and age-appropriate research.
- **Recognize perspectives, others' and their own,** articulating and explaining such perspectives thoughtfully and respectfully.
- **Communicate ideas effectively with diverse audiences,** bridging geographic, linguistic, ideological, and cultural barriers.
- **Take action to improve conditions,** viewing themselves as players in the world and participating reflectively.

Priorities

- Identifying and eliminating systemic inequities
- Global competency
- Innovative and equitable assessments

Continuous Improvement

- Student well-being
- Early literacy and biliteracy
- Math
- College and career

If students are not learning to engage in a meaningful and active way with the issues of our time, they are not learning the skills they need to live in the world they will inhabit.
