To receive a grant, the teacher must be enrolled in a program that includes coursework and training focused on teaching a core subject.

Other initiatives using such funds or funds available under Minnesota Statutes, sections 124D.861 and 124D.862, may include:

Retention strategies may include providing financial incentives for teachers of color and teachers who are American Indian to work in the school or district for at least five (5) years and placing American Indian educators at sites with other American Indian educators and educators of color at sites with other educators of color to reduce isolation and increase opportunity for collegial support.
