

Stephanie Piña

7th Grade
ELAR
Conference: 1A/1B
Team 74

Biography

Hello! My name is Stephanie Piña, and I am a 2nd year teacher this year at STPA. I graduated from UTRGV in 2020 with my Bachelor's in English with teacher certification for grades 7th-12th. However, I recently became certified to teach English from grades 4th-8th as well. I've been in education for 4 years now as a tutor, substitute, special education teacher aide and teacher. I am an alumni from both STPA and BETA now known as World Scholars. I am a proud advocate of STISD as it resulted in my success in college and as an adult. I am married to my high school sweetheart and best friend, Joaquin, and have 7 cats. My hobbies include reading, traveling with my husband, and spending time with my loved ones.
