Biography

Hello my name is Isaac Valdez and I teach Fundamentals of Computer Science and Arts, Audio/Video Technology and Communication. I am retired from the military where I served for 20 years. Also, I graduated from South Texas College with a Bachelor's degree in Computer and Information Technology. Currently, I have the following certifications.

- EC-12 ESL
- EC-12 Technology Application
- EC-6 Generalist
- 4-8 Science

This is my 11th year as a teacher and 5 years as a paraprofessional.

I enjoy collecting comics books (Venom and Spiderman) and playing World of Warcraft. Rogue is my favorite character. I also barbeque in the weekends while I sit in my rocking chair enjoying life.
