Calculators for Math Courses

It is advised that students use their own personal calculator. Either handheld or the [TI-84 Chrome App](#) for student Chromebooks, which was made available last spring as an app extension.

- **Math 7 and Pre-Algebra (7th and 8th)** -

- Texas Instruments Scientific Calculator Required

- **Algebra 1 Honors (7th and 8th) and Geometry Honors** -

- Texas Instruments Graphing Calculator Required
- TI-83 series, TI-84 series, TI-Nspire, or TI-Nspire CX

Please do not purchase TI-89, TI-92, and TI Nspire CX CAS and Voyager models as these calculators are not allowed on state testing
