## CELEBRATION!

Congratulations to our families that completed the Parent Institute for Quality Education program!

## COUNSELORS CORNER

Hi Bulldog Families! This week students will be selecting courses for next year! Counselors will be visiting all classes on December 5th to distribute course selection forms. These forms will be due on December 12th. Please ensure that your student fills the form out completely including needed signatures, elective alternates, course numbers, etc. Counselors will be available to students on the 6th, 7th, and 11th during both lunches in the library to assist with any course selection questions. In January, counselors will be meeting one on one with all freshmen, sophomores, and juniors to go over their course selections for next year. Please refer to the course catalog on the counseling website if you need further information on course offerings at Tracy High.
