Good Afternoon,
Here is a list of Middle and High School students to the best of my knowledge. It also includes their choice of Instruction that has been chosen for this school year and a parent contact number.

All of the following students have a ferry pass, some are from last year. Will these cards be activated for the current school year?

As with previous years. Parents will need to submit a request via email to myself if they need to attend any school function. If the request is valid I will forward this request to the front desk for passes to be made for these parents.

** Note Students Highlighted in yellow are Face to Face students and will be riding the ferry to and from school. The other students chose virtual learning however there may be a need for these students to occasionally attend meeting or testing in a Face to Face instruction.

The highlighted students will be split according to the districts AA and BB Hybrid Schedule. Below is what days students will be riding the ferry to and from school:

BB Day (Thursday and Friday)

These students are no longer at either the Hilton Head Middle or High School:

I hope this helps. As I get any more information I will pass it along.

Good afternoon,

Can you please activate the ferry pass card for Ashley Hollingsworth to return on the 430pm ferry from HHI tomorrow, 8/7/20. This is a one way reservation since she went over on a private boat today for personal reasons. She will be working at HHI Early Childhood School tomorrow and she is working there this year as a teacher. She is starting to work on getting her classroom ready.
She will also need her pass activated next week Monday- Friday, 8/10- 8/14, to finish her classroom and attend training. She will be going on the 8:40am ferry and returning on the 430pm ferry.
Teachers will be starting back to class full-time August 24th so once I confirm her ferry time over which I believe is the 630am from DI then I will contact you to let you know.

Thank you,

Excellent question. Does Mrs. Singleton have a "hard card" ferry pass? If she does, that s all she will need to get over on the ferry. Let me know if she has one or not.

Thanks,
Henry

None of the BCSD staff that travel on the ferry from Hilton Head to support Daufuskie Elementary have a hard card pass. In the past it was preferred that each person come to the embarkation front desk to obtain a ferry pass for the day. I am fine with either option just let me know what you would prefer and I can I coordinate with the staff on the approved list to get their cards as they travel to our school during the school year.

Thank you, we are in the process of trying to move everyone we can over to the hard card. I'll make sure there is a pass for Mrs. Singleton and we can take a look at doing hard cards for the folks who travel daily.

Best,
Henry

None of the BCSD staff that travel on the ferry from Hilton Head to support Daufuskie Elementary have a hard card pass. In the past it was preferred that each person come to the embarkation front desk to obtain a ferry pass for the day. I am fine with either option just let me know what you would prefer and I can I coordinate with the staff on the approved list to get their cards as they travel to our school during the school year.

Thank you,

Excellent question. Does Mrs. Singleton have a "hard card" ferry pass? If she does, that's all she will need to get over on the ferry. Let me know if she has one or not.

Henry

Subject: [EXTERNAL]Ferry Reservation Request

Good Morning,

Tomorrow, 2/22/23, Mrs. Engram and Mr. Bustle will be taking one student over on the7:40am ferry for a HHI School for Creative Arts Field Trip. They will be returning on the 2:30pm ferry. Mrs. Engram and Mr. Bustle will be using their member ferry passes so they do not need a pass requested. Typically I go on field trips and I scan my ferry pass for students. Would you like for me to send my pass with Mrs. Engram for the one student or will the student be scanned under child on the ferry or will the one student need a ferry pass requested? Please let me know your thoughts.

Thank you,

Good Morning,

Tomorrow, 2/22/23, Mrs. Engram and Mr. Bustle will be taking one student over on the7:40am ferry for a HHI School for Creative Arts Field Trip. They will be returning on the 2:30pm ferry. Mrs. Engram and Mr. Bustle will be using their member ferry passes so they do not need a pass requested. Typically I go on field trips and I scan my ferry pass for students. Would you like for me to send my pass with Mrs. Engram for the one student or will the student be scanned under child on the ferry or will the one student need a ferry pass requested? Please let me know your thoughts.

Amanda, scanning your pass for each rider that doesn't have their own will work fine.

Front Desk, please activate the ferry passes for Amanda Lofton and Tammy Helmuth for tomorrow's trip and provide Amanda with a South Gate code for the students to get through the gate.

Subject: [EXTERNAL]Ferry Reservation Request

Good Afternoon,

I apologize for the late notice however I would like to request ferry reservations for tomorrow, 2/9/23. Daufuskie Island Elementary School will be traveling on a field trip to Savannah, GA. We will have 17 students, and 4 staff members that will be going on the 7:40am ferry leaving Daufuskie. We will be returning on the 3:30pm ferry with the same number of people. Can you please activate the ferry passes for Amanda Lofton and Tammy Helmuth for tomorrow? The other two staff are members of Haig Point and will be using their member pass to board the ferry.

In the past I have scanned my ferry pass for the number of students traveling plus myself. Mr. Criss would you like for me to continue to do this?

Also can I please request a South Gate code for parents to use tomorrow for dropping off students at the 7:40am ferry and for picking up in the afternoon when we return on the 3:30pm ferry? This will be just for tomorrow.

Subject: [EXTERNAL]Ferry Reservation Request

Good Morning,

Can you please make the following ferry reservations for Thursday, 3/30/23?

Please make a ferry reservation for April Fletcher Clark coming over on the 9:30am ferry and returning on the 12:40pm ferry. She is with CAPA and will be coming over to do an educational program with our students.

Please make a ferry reservation for Claude Goodjion (with SHARP Technologies) and Joe Bass (with BCSD technology department) coming over on the 8:30am ferry and returning on the 10:40am ferry. They will also be bringing over a large copier device. This will require an open Cadillac trailer for transport on and off the ferry. Mr. Tim Richards with Haig Point is aware of the need for the trailer and will be coordinating this for us.

Good afternoon,

Can you please activate the ferry pass card for Ashley Hollingsworth to return on the 430pm ferry from HHI tomorrow, 8/7/20. This is a one way reservation since she went over on a private boat today for personal reasons. She will be working at HHI Early Childhood School tomorrow and she is working there this year as a teacher. She is starting to work on getting her classroom ready.
She will also need her pass activated next week Monday- Friday, 8/10- 8/14, to finish her classroom and attend training. She will be going on the 8:40am ferry and returning on the 430pm ferry.
Teachers will be starting back to class full-time August 24th so once I confirm her ferry time over which I believe is the 630am from DI then I will contact you to let you know.

I spoke to Lauren Scott this evening and she understands that we cannot make an exception and set a precedent. We must apply the rules consistently. As you all know, there are other BCSD teachers living on Daufuskie that work on the mainland.

I've instructed our member services department to deactivate Lauren's ferry pass.

Thanks Adam,

I spoke with HR and per the addendum to the contract, the passes issued by Haig Point are for authorized personnel. Authorized personnel are defined as "those solely traveling for the purposes of maintenance, instruction, and/or administration of the school program at Daufuskie Island Elementary School and students traveling to attend a BCSD school." The extension of passes, to include, educators who lived on Daufuskie and worked off island through the end of the last school year was an agreed upon courtesy between Haig Point and BCSD.

Going forward, per my last conversation with Henry Criss in March, he is the contact for requesting a pass outside of the current contract (i.e., parents for school sanctioned events). He would evaluate each request individually and approve or deny on a case-by-case basis. It is at the discretion of Haig Point to offer services/passes outside of what is explicitly written in the contract. Please let me know if Henry is still the contact.

Thank you for your continued support and interest in doing business with the Beaufort County School District.

Dear Kaylee,

We would like to schedule some time to discuss the Transportation Contract for Daufuskie Island Students and Teachers. Our current contract allows for a fee negotiation in August of each year. Given the significant rise in fuel costs and other expenses, we would like to initiate these discussions. I would also like to inform you that our CEO, Doug Egly has retired. Adam Martin has taken over this role.

Would your team be available for a virtual meeting with ours in the afternoon of August 18th?

All of the following students have a ferry pass, some are from last year. Will these cards be activated for the current school year?

Good evening,

Can you please extend the ferry reservations for Kevinelton, Jon Parker,Yuslajany Villatoro, and Noe Gonzalez through the end of this coming week, July 30th? They will be coming on the 730am ferry each day and leaving on the 340pm ferry each afternoon.

Also can you please extend the Southgate access on John Parker's ferry pass? He is the team lead for NB Solutions and will be transporting the guys back and forth each day to and from the school. They have a NB Solutions van that they will be using to do this. However they will need a pickup each afternoon at the POA for the 340pm ferry.

Thank you,

Amanda Lofton

None of the BCSD staff that travel on the ferry from Hilton Head to support Daufuskie Elementary have a hard card pass. In the past it was preferred that each person come to the embarkation front desk to obtain a ferry pass for the day. I am fine with either option just let me know what you would prefer and I can I coordinate with the staff on the approved list to get their cards as they travel to our school during the school year.

Good Afternoon,

I apologize for the late notice however I would like to request ferry reservations for tomorrow, 2/9/23. Daufuskie Island Elementary School will be traveling on a field trip to Savannah, GA. We will have 17 students, and 4 staff members that will be going on the 7:40am ferry leaving Daufuskie. We will be returning on the 3:30pm ferry with the same number of people. Can you please activate the ferry passes for Amanda Lofton and Tammy Helmuth for tomorrow? The other two staff are members of Haig Point and will be using their member pass to board the ferry.

In the past I have scanned my ferry pass for the number of students traveling plus myself. Mr. Criss would you like for me to continue to do this?

Also can I please request a South Gate code for parents to use tomorrow for dropping off students at the 7:40am ferry and for picking up in the afternoon when we return on the 3:30pm ferry? This will be just for tomorrow.

Hello Amanda,

I am glad to address these exceptions on a case-by-case basis, given that the District has asked us to adhere to the terms of the transportation contract. In this instance, it would be permissible for the grandparent (acting on behalf of the parent) to obtain a pass,

Best,

Good evening,

I apologize but I am just remembering that I should have emailed a ferry request this morning for Beth Vargas Geil. She will be coming tomorrow, 2/22/23, on the 7:30am ferry and will be returning on the 9:40am ferry. She is on the approved BCSD ferry list.

I do apologize for the lateness of this request. I know it is better to send request at least 24 hours in advance. With the holiday on Monday I have gotten off track and I am sorry. I will do better.

Thank you for your help,

Amanda Lofton

Front desk team, please prepare the ferry pass as requested below.

Also, for everyone s awareness, we are permitting parents of Hilton Head Middle and High School students to travel to school sanctioned events for the balance of the school year. Passes will be requested through my office and will be granted on a case-by-case basis depending on the event/justification and as long as granting the pass doesn t conflict with the best interests of the Club.

Please feel free to reach out with any questions or concerns.

Hello,

Thank you for the advice and for allowing the grandparent to go on the ferry. I will get more details for requesting a ferry pass.
I also think it is a great idea to do case by case basis. In the future I will email you with any other questions that might be similar.

Have a great week,

Hello Amanda,

I am glad to address these exceptions on a case-by-case basis, given that the District has asked us to adhere to the terms of the transportation contract. In this instance, it would be permissible for the grandparent (acting on behalf of the parent) to obtain a pass,

Hi Ms. Amanda,
I received a call from Brad Pierce today this morning. He is one of the Haig Point board members.
He said that for the remainder of the school year, parents should still be able to use the ferry for school reasons.
He suggested I start with you and submit a ferry pass request through Henry Ciss and the front desk as usual and see what happens. I could also just email Henry myself, but Brad suggested I go the usual route first.

I was hoping I would just be able to get a pass BACK to the island on Thursday. My car is at Buckingham Landing, so I would take the county boat over.
Whatever boat is better, 5:30 or 6:30, is fine with [redacted] and me.

Let me know if this is something you can do. I do have some meetings throughout the day today, but I would be happy to discuss them at some point as well.

Thank you!!

I spoke to Lauren Scott this evening and she understands that we cannot make an exception and set a precedent. We must apply the rules consistently. As you all know, there are other BCSD teachers living on Daufuskie that work on the mainland.

I've instructed our member services department to deactivate Lauren's ferry pass.

Thanks Adam,

I spoke with HR and per the addendum to the contract, the passes issued by Haig Point are for authorized personnel. Authorized personnel are defined as "those solely traveling for the purposes of maintenance, instruction, and/or administration of the school program at Daufuskie Island Elementary School and students traveling to attend a BCSD school." The extension of passes, to include, educators who lived on Daufuskie and worked off island through the end of the last school year was an agreed upon courtesy between Haig Point and BCSD.

Going forward, per my last conversation with Henry Criss in March, he is the contact for requesting a pass outside of the current contract (i.e., parents for school sanctioned events). He would evaluate each request individually and approve or deny on a case-by-case basis. It is at the discretion of Haig Point to offer services/passes outside of what is explicitly written in the contract. Please let me know if Henry is still the contact.

Thank you for your continued support and interest in doing business with the Beaufort County School District.

Dear Kaylee,

We would like to schedule some time to discuss the Transportation Contract for Daufuskie Island Students and Teachers. Our current contract allows for a fee negotiation in August of each year. Given the significant rise in fuel costs and other expenses, we would like to initiate these discussions. I would also like to inform you that our CEO, Doug Egly has retired. Adam Martin has taken over this role.

Would your team be available for a virtual meeting with ours in the afternoon of August 18th?

Good Afternoon,

Here is a list of Middle and High School students to the best of my knowledge. It also includes their parent contact information. Can you please reactivate the following student passes for the 2022-23 school year till June 9, 2023 or make ferry passes for my new students.

I do have several new students that will be joining us for this new school year I have attached pictures to this email for new students School ID Passes and students who say they need a new pass for this year. If you will let me know when they are ready I can get them picked up. Also if there is a charge for the returning student's pass let me know so that I can notify those families.

As with previous years. Parents will need to submit a request via email to myself if they need to attend any school function. If the request is valid I will forward this request to the front desk for passes to be made for these parents.
