### School Goals

Our District vision is to "Graduate every student and transition each into a job, training, or college." We support this by providing challenging academics with a focus on student growth and support. We teach with AVID strategies and skills, and are in the early stages developing an RTII system. The key success factors at the middle school are:

- Student Engagement
- Student Attendance
- Literacy
- Mathematics
- Technology Literacy

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

### Safe & Welcoming Environment

Programs and events at Philomath Middle School that specifically support a safe and welcoming learning environment: 'Be Good People'- a weekly social emotional curriculum, Brave. a program recognizing awesome humans doing awesome things in awesome ways, School Spirit- all students are given a "Future Shirt" with school logo and high school graduation year, School Supplies- all students are given free school supplies, Advisory - a daily period building community and contributing to our school culture.
