MISSION

The mission of Siembra Leadership High School (SLHS) is to prepare academically underserved students for entrepreneurial careers that reflect the values and needs of the Albuquerque Community through collaboration with entrepreneurs and an emphasis on social, emotional and intellectual growth.

PROMISE

Siembra is committed to making the community a better place by engaging young people in economic development and entrepreneurship. We view young people as assets and believe they are the key to economic development in Albuquerque. We are re-imaging what school looks like and see the institution as a vehicle for larger social change.

VISION

Siembra's vision is to unlock human potential by equipping students with the tools and skills they need to innovate through voice and opportunity. As the only entrepreneurship-focused high school in New Mexico, Siembra Leadership combines passionate and innovative educators, high-growth employers, and local entrepreneurs to offer innovative, real-world learning that prepares students for the future. Siembra Leadership students develop 21st century skills, and an entrepreneurial mindset, that prepares them for success in college and their career. Students and families benefit from 360-degree support to ensure students can focus on hands-on, rigorous learning each day. The core entrepreneurial values of the school are:

OPPORTUNITY: The ability to recognize an opportunity is the foundation of entrepreneurship. Siembra recognizes opportunity in every student. The school provides a thrilling education that is rigorous, innovative, and tuned into the lives of students and their individual needs

CREATIVITY & IMAGINATION: Creativity and imagination are at the core of innovation. Siembra encourages students to think outside the box, explore, and pursue their passions. The school's network of high-growth employers and entrepreneurs help to build a safe space for students to take creative risks, learn, and test the limits of their imagination

THE ABILITY TO FAIL: For the entrepreneur, mistakes are stepping stones for success. Siembra's approach to learning adopts this fundamental entrepreneurial principle, encouraging students to overcome tough challenges, to see problems as opportunities, to develop the persistence they need to reach all their goals, and to give them the support to fall forward

MAKING A DIFFERENCE: Entrepreneurship is about identifying problems and finding solutions that contribute to improving our lives and communities. Siembra ensures that the school and its students are grounded in making a positive impact on the people around them, creating a strong future for Albuquerque
