

Roma ISD 2023 Summer Camps

Robotics Camp- 1 week

(Current 3rd, 4th & 5th Grade Students)

Session 1> May 30-June 2 Intro to EV3 Robotics

Session 2> June 5 - 8 Intro to EV3 Robotics

Session 3> June 12-15 Intro to EV3 Robotics

Session 4> June 19- 22 Intro to EV3 Robotics

Science Camp- 1 week

(Current 3rd, 4th & 5th Grade Students)

Session 1> May 30-June 2 Fun Science Activities

Session 2> June 5 – 8 Fun Science Activities

Session 3> June 12-15 Fun Science Activities

Session 4> June 19- 22 Fun Science Activities

Technology Camp– 1 week

(Current 3rd, 4th, & 5th Grade Students)

Session 1> May 30- June 2 Technology Skills

Session 2> June 5 – 8 Technology Skills

Session 3> June 12- 15 Technology Skills

Session 4> June 19- 22 Technology Skills

Coding Camp- 1 week

(Current 6th, 7th & 8th Grade Students)

Session 1> May 30- June 2 Creative Coding Games

Session 2> June 5 – 8 Creative Coding Games

Session 3> June 12- 15 Creative Coding Games

Session 4> June 19 -22 Creative Coding Games

Drone Camp- 1 week

(Current 6th, 7th, & 8th Grade Students)

Session 1> May 30- June 2 Drone Skills/Games

Session 2> June 5- 8 Drone Skills/Games

Session 3> June 12- 15 Drone Skills/Games

Session 4> June 19 -22 Drone Skills/Games

Health Science Career Camp- 1 week

(Current 6th, 7th & 8th Grade Students)

Session 1> May 30- June 2 Career Exploration

Session 2> June 5- 8 Career Exploration

Session 3> June 12- 15 Career Exploration

Session 4> June 19 -22 Career Exploration

Elementary Camps are from 7:40am - 3:30pm

Middle School Camps are from 8:00am - 3:50pm

Transportation and breakfast/lunch will be provided.

For more information, please contact your respective campus principal.

Roma ISD

2023 Summer Camp Synopsis

Robotics Camp (Current 3rd, 4th & 5th Grade Students): Campers will have hands-on robotics STEM learning experiences such as building models and constructing/programming robots. Students will work in small groups to build robots and get them to perform their desired actions.

Science Camp (Current 3rd, 4th & 5th Grade Students): Campers will learn about Biology, Chemistry, Geology, and Zoology, while doing many hands-on experiments and activities.

Technology Camp (Current 3rd, 4th & 5th Grade Students): Campers will have the opportunity to gain valuable skills that are essential as we prepare them to be College and Career Ready. The camp will focus on Microsoft Office programming, Jamboard and Google Slide skills.

Coding Camp (Current 6th, 7th & 8th Grade Students): Campers will have a blast creating video games, apps, animated stories, and bringing their imaginations to life. Campers will learn basic coding and programming, problem solving, logic, physics and more. It's a great way to get kids psyched about learning cool STEM skills.

Drone Camp (Current 6th, 7th & 8th Grade Students): Campers will learn the basics of drone technology and safety before taking to the air to fly and code the drones using technology-appropriate programming languages. Students work all week long to prepare for the most enjoyable part of the week: the Ultimate Drone Games where students collaborate, strategize, and create their own drone games and then compete against one another.

Health Science Camp (Current 6th, 7th & 8th Grade Students): Campers will explore the different health science careers in the healthcare industry. Campers will develop an understanding of medical careers and the path to different healthcare specialties.
