

The Virtue of the Month is Respect

This month we will be practicing the virtue of respect. Respect is speaking and acting according to our own and other's rights, status, and circumstances. We can practice this by saying only kind and true things about one another. Respect can also be practiced by being reverent during prayer and Mass and being attentive to those who may not have what we have.

Dear Jesus, I am sorry for all the times I have hurt others by my words. You know I am weak, and that I need Your help. Help me to respect other people's right to a good reputation. Lord, guard my heart, my ears, and my lips from gossip. Amen.
