

# Academic Achievement Goals

## District Goals:

**Goal 1:**  
Develop a learning culture that increases student achievement to graduate college and career-ready students.

**Goal 2:**  
Provide targeted curriculum and instruction support through PLCs

## School Goals:

**Goal 1:**  
WCMS will increase the number of students scoring proficient or above on the Georgia Milestones Assessments by 3%.

**Goal 2:**  
WCMS will increase the number of students scoring a proficient or advanced Lexile measure by 3% on the spring administration of the Reading Inventory Assessment.

## What is a School-Parent Compact?

This compact is an agreement of ways that teachers, parents, and students can work together for students' success. This compact provides strategies to help connect learning at school and at home.

## Jointly Developed

WCMS parents, students, and staff collaborated to develop the school-parent compact. Input from our annual stakeholder input meeting, surveys completed by teachers, parents, and students, along with other school meeting opportunities were used to gather information to identify educational needs for student success.
