Asbestos Awareness Notification

For non-employees, outside vendors, contractors, and service personnel:

Please let this notification serve as an official notice that asbestos containing materials are found in the facilities owned and leased by the Roseburg Public Schools.

Disturbance of these materials is strictly forbidden!! Any activity, project, or services performed in any facility owned or leased by the Roseburg Public School District No. 4 either be; examined in the Asbestos Hazard Emergency Response Act (A.H.E.R.A.) handbook to check for asbestos containing materials in the work area or authorized by the district's designated asbestos manager. You can make an appointment to look at the A.H.E.R.A handbook by contacting the school secretary.

Roseburg Public School's designated asbestos manager is:

**Tracy Grauf
Physical Plant Manager
1419 NW Valley View Drive
Roseburg, Oregon 97471
Phone: (541) 440-4053**
