Big Ideas Learning

FAMILY LETTERS

2

Family Letters keep the home-school connection strong by involving parents in their student's learning. Parents can easily stay up-to-date on their child's education, giving them the ability to understand concepts in a whole new way and better assist their child with practice and review for assessments.

Big Ideas Learning

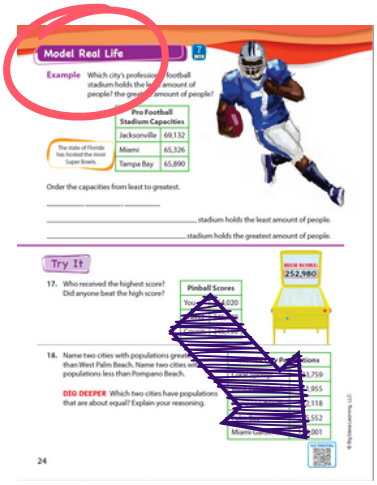

Using Big Ideas Learning Homework & Practice
QR Codes in Grade 2

Each Homework and Practice page has a QR Code® to link students and parents to at-home videos for each lesson. This provides access to the videos that align to the lessons, including click-through example videos.

Homework & Practice videos are available for **Build Understanding** and **Model Real Life** sections of each lesson.

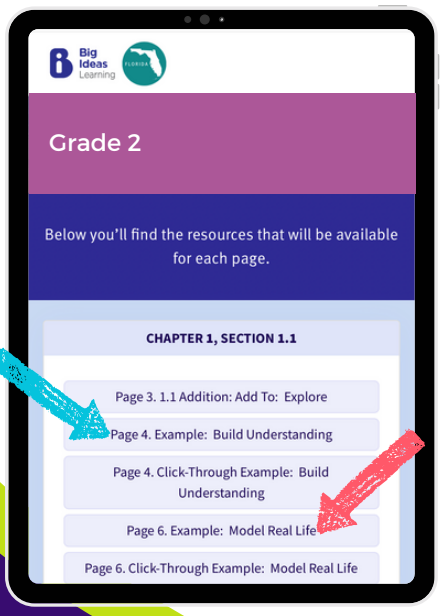

STEP 1:
To access videos, scan the QR Code at the bottom of your child's Student Edition book.

STEP 2:
Open your cell phone camera or a QR Code scanner app. Scan QR Code at the bottom of the page.

STEP 3:
Select **Build Understanding** or **Model Real Life** to access the videos that provide the examples from your child's class instruction. Use the remaining links should you need additional support or further math skills assistance.

2 SKILLS REVIEW HANDBOOK

Skills Review activities provide practice for grade level appropriate skills. This ensures students are solid on basic concept understanding. For your convenience, an Answer Key is provided for each activity and links to interactive games.

2 SKILLS **TRAINER**

Skills Trainer is a built-in program that provides ample opportunities for students to practice and achieve fluency in skills from prior grades.

Ready for the bonus? Skills Trainer does not have to be assigned by a teacher because students have full access to every skill along with unlimited practice opportunities.

Learn how to access Skills Trainer from the Student Account.
