Hello Brown Elementary Parents,

I hope this letter finds you well. My name is Tiffany Anderson, and I am excited to introduce myself as your new Parent Liaison. With over ten years of experience working in the educational system, I am thrilled to join the vibrant community of Brown Elementary and serve as a bridge between parents and the school. As your Parent Liaison, I am dedicated to fostering a strong partnership between parents and the school. I believe that it takes a village to nurture and educate our young learners. Here are three things you can expect from me in this role:

- **Open Channels of Communication** - I am here to ensure that communication flows freely and effectively. Whether you have questions, or concerns, or just want to share your ideas, please don't hesitate to reach out. Together, we can create an atmosphere of collaboration and support.
- **Engaging Workshops and Events** - I am excited to bring you engaging workshops and events that will enrich both your parenting journey and your child's educational experience. From interactive sessions on effective study habits to fun family-oriented events. We have a lot to look forward to!
- **Resourceful Parent Hub** - You can find me at the heart of the school in the front receptionist office, which I've transformed into a welcoming Parent Resource Center. It's a place where you can gather information, and resources, and connect with fellow parents. Feel free to stop by and say hello! Should you have any questions, thoughts, or want to chat, don't hesitate to email me at [Tiffany.anderson@clayton.k12.ga.us](mailto:Tiffany.anderson@clayton.k12.ga.us). Your insights and involvement are invaluable to our school's success, and I'm eager to work closely with each one of you to create an even brighter future for our students. Together, we can make this school year an incredible journey of growth, learning, and laughter. Let's make a positive impact on our children's lives, one step at a time.

Warmly,

Tiffany Anderson- Parent Liaison
