

TUHSD Portable Classroom Removal & New Modular Classrooms

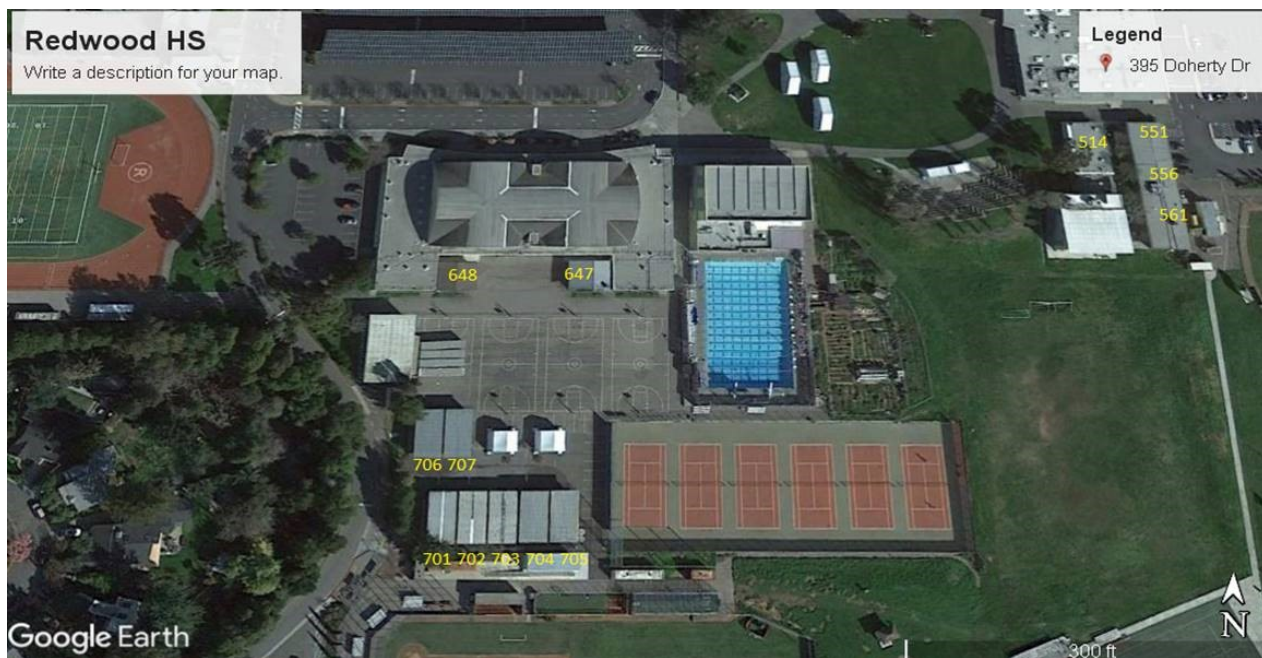

June 14, 2021

Portable Classrooms for Removal:

Tamalpais High School: removal of two leased Portable Classrooms P1 and P2.

Redwood High School: Removal of portable Classrooms 514, 551, 556, 561, 648 and 647 and leased Portable Classrooms 701, 702, 703, 704, 705, 706, and 707.

Archie Williams High School: removal of six portable classrooms

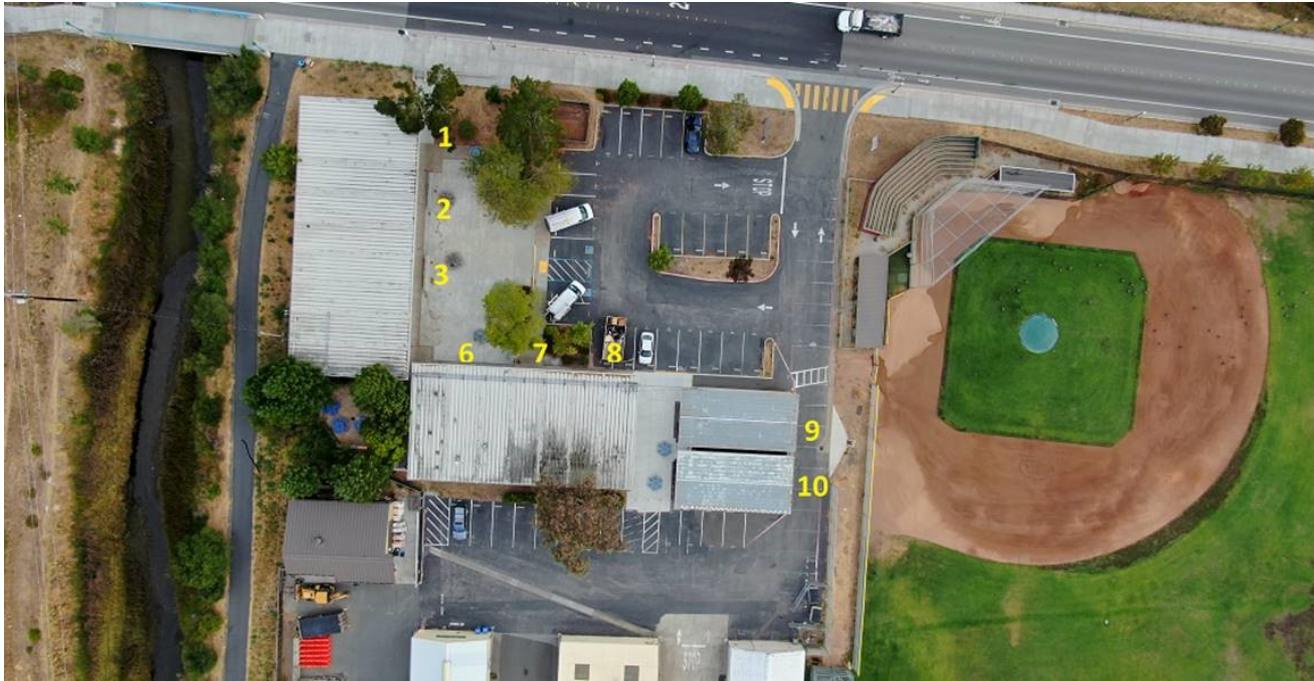

Note: Six of the portables below overhang next to a local creek. Please see photo below for environmental considerations

Classrooms 417, 418, 419, 421, 422, and 423 along the San Anselmo Creek

Tamiscal High School: removal of 10 portable classrooms (8 permanent and 2 leased) and replacement with modular classrooms at current location or potential alternative location(s)

Tamiscal HS – Permanent Portable Classrooms and Leased Portable Classrooms 9 and 10

Potential New Modular Classrooms/Meeting Rooms:

Potential new modular classrooms or meeting rooms are desired in two locations:

1. Redwood High School:

a. Art & Music wing: replace the portable classrooms (514, 551, 556, 561) as seen above with modular classrooms in the same quantity and location.

i. Estimated Cost: \$7.7M

b. PE Classroom & Weight Room: replace the portable classrooms (647 - weight room, 648 - PE classroom) as seen above with modular classrooms in the same quantity and location.

i. Estimated Cost: \$4.3M

2. Tamiscal High School: removal of 10 portable classrooms (8 permanent and 2 leased) and replacement with modular classrooms at current location or potential alternative location(s)

a. Estimated Cost: \$17.0M

3. Potential Conference & Community Center: If the Tamiscal HS campus were to be relocated, add new modular structures for the following potential uses and with multi-use design and flexibility at the current location of Tamiscal High School:

a. New Board Meeting room

b. Community meeting center

c. Multiple large meeting and conference rooms

i. Total Estimated Cost: \$10.2M
