

## **SCHOOL NEWS**

### **OLD GYM**

We are still waiting for one quote for the floor. We have resumed using this space for lunch.

### **UPCOMING EVENTS**

- After school programs have started.
- We will be having STEM parenting nights again this winter.

### **SOCIAL AND EMOTIONAL**

- Club "This is Us" is meeting again this year, well attended.
- We are bringing on using ESSR III funds from the grant, another crisis counselor 1 day a week (on the agenda today). This is very helpful for our high risk students. We have had to send 4 students out this year for evaluations. They are able to assess these students and follow up on their care and help other high risk students. They are now on-sight 2x a week.

### **SAFETY AND SECURITY :**

- We have had our safety and security drills for October.
- We conducted our relocation drill, thank you to the GPD for their assistance.

### **COVID-19**

- Positive cases in the 6th grade (student/teacher), mass exposure, students had to go remote. Those that tested returned today. Only 15 tested, the rest will be back on Friday if they are symptom free.
- Booster clinic for teachers last week. About 30 teachers received the booster.
- Prior to the winter recess we will have a school-wide COVID vaccine 'rally' to vaccinate as many 5 and up students as possible. Thank you to VP Acastoa for helping with this effort.

### **HIBS**

- One (1) case investigated and confirmed, physical altercation, perpetrator making fun of the victims weight. Perpetrator was consequence appropriately based on policy and receiving counseling. Victim also receiving counseling.

### **RESIDENCY:**

- 17 Confirmed HS students not living in town, 8 students from ALK (YTD) confirmed not living in town.

## **STATE NEWS**

- Legislature in Lame Duck session, everything on pause.
