

What is a SEPAC or SEPAG Special Education Parent Advisory Group?

A Special Education Parent Advisory Group, or SEPAG (sea-pag) is a state-mandated, district-level, parent-driven group charged with providing input to the local school district on system-level challenges in special education and related services.

A SEPAG should be structured to benefit all students with disabilities, not just a single group of students, or a single issue. The more inclusive a SEPAG is, the more opportunities there are to achieve positive outcomes."Each district board of education shall ensure that a special education parent advisory group is in place in the district to provide input to the district on issues concerning students with disabilities." (N.J.A.C. 6A:14-1.2(h))
