Dear Parents,

The La Vega ISD wants to create the best learning environment possible for all children. Therefore, we want you to participate in a district-wide survey and share your ideas about how you think we are doing well and how we can improve.

In order for us to include your input, you must complete the survey between **Monday, December 18th and Friday, January 26th**. If you have children at multiple campuses, please complete a survey for each campus they attend. The surveys are on our website for your convenience. Please follow these steps:

1. Go to the La Vega website. <https://www.lavegaisd.org/>
2. Click on the Students & Parents Tab
3. Click on the Parent Survey.

Please complete a survey for each campus your child attends. If you do not have computer access at home and wish to complete the survey electronically, please contact your child's school.
