

District 7 Incoming Sixth Grade

Medical Requirements

- **Physical Exam-** Students entering Sixth Grade are required by state law to have a physical no later than October 15th of the current school year. The physical must be completed within one year prior to entering Sixth Grade and documented on the “State of Illinois Certificate of Child Health Examination” form.
- **Immunization Record-** Students entering Sixth Grade are required to be up to date with their immunizations. In addition to the immunizations required for 5th grade, all 6th grade students must also receive the Meningococcal/MCV4, TDaP, and Hepatitis B vaccines. Proof of completed immunizations must be received by October 15th.
- **Dental Exam-** Dental exams are required for all Sixth Grade students. The dental exam must be completed no earlier than 18 months prior to the May 15th deadline of the current school year.
- **Medications-** All students that need medications at school are required to have the “Request for Medication to be Administered at School” form completed by their provider.
