

# Sensory-friendly COVID-19 Vaccination Clinic

Through funding provided by the Provident Bank Foundation, Bergen's Promise has partnered with Holy Name to create a safe and sensory-friendly COVID-19 vaccination space to meet the needs of individuals with intellectual and developmental disabilities. This resource is available to individuals ages 5 and up, regardless of enrollment in Bergen's Promise. Flu vaccine is also available upon request when you arrive.

**Thursdays, beginning on January 26, 2023**

**3:00 – 7:00 PM**

***3 University Plaza, Suite 105, Hackensack, NJ***

Appointments will be scheduled within a dedicated time on the clinic's calendar to avoid crowding and allow for longer appointments. Appointments are required.

The space includes multiple sensory supports including tactile sensory toys and tools, calming visual and lighting options, customizable white noise, and communication aids in a welcoming environment.

Staff will be prepared to discuss your individualized needs and work with you and your family. Please complete the additional online form along with registration so that staff can make your vaccination experience as smooth as possible.
