“Pooling” of Funds **SY** _____

Title I Funds:

Allocations for NP Schools may vary when serving small numbers of students in multiple NP Schools. Calcasieu Parish Title I LEA and the Non-Public schools agree that the NP School Educational Program is the most effective way of servicing the greatest number of students academically at risk. Title I generated funds from the “pool” are used to serve eligible educationally challenged students attending a NP School.

_____ **Yes**, I agree with “pooling” NP Schools Title I funds. These funds will be used to serve eligible students with the Title I NP School Educational Program.

_____ **No**, I do not agree with “pooling” NP Schools Title I funds. These funds will be used to serve eligible students with the Title I NP School Educational Program.

Title III Funds:

Allocations for NP Schools may vary when serving small numbers of students in multiple NP Schools. Calcasieu Parish School Board Federal Programs and the Non-Public school agrees to pool Title III ELs (*English Learners*) and Immigrant generated funds in order to serve eligible Title III ELs and Immigrant students at the NP Schools. Identified students will have access to Waterford Computer Program.

_____ **Yes**, I agree with “pooling” NP School Title III ELs and Immigrant funds. These funds will be used to serve eligible students at the NP Schools.

_____ **No**, I do not agree with “pooling” NP School Title III ELs and Immigrant funds. These funds will be used to serve eligible students at the NP Schools.
