

# White Bear Lake Area Schools

Independent School District 624

---

## Neighborhood Meeting Invitation

December 7, 2023, 7:00 p.m., Community Room 112,  
District Center - 4855 Bloom Avenue, White Bear Lake, MN 55110

November 21, 2023

Dear Neighbor,

The School District has requested approval from the City of White Bear Lake for improvements to 8th Street, Division Ave, and Highway 61 as identified in the traffic study for the White Bear Lake Area High School - North Campus project. We are proposing this project to enhance traffic flow and pedestrian safety from Highway 61 to the Division Avenue entrance to WBLAHS to be completed during the summer of 2024. Site maps of the proposal are enclosed.

We invite you to attend a neighborhood meeting where a team of representatives from the School District, Wold Architects and Engineers, and SEH Engineering will share our plans, answer any questions, and listen to your feedback. This neighborhood meeting will take place at 7 p.m. on Thursday, December 7 in the Community Room, 112 in the District Center. **Attendees should enter through Door E of the east side of the building off of Bloom Avenue.**

If this meeting time isn't convenient, you can also review overall plans on our website at [isd624.org/BuildingOurFuture](https://isd624.org/BuildingOurFuture). On December 8, the materials that were covered at the meeting the night before will be available directly at [isd624.org/about/building-our-future/project-updates-neighborhood](https://isd624.org/about/building-our-future/project-updates-neighborhood). If you would like to speak with someone regarding our plans, or if you would like to request any documentation you can contact Tim Wald, Assistant Superintendent for Finance and Operations, at [tim.wald@isd624.org](mailto:tim.wald@isd624.org) or 651-407-7516.

As part of the review and approval process, the City of White Bear Lake City Council will consider and act on our plans during an upcoming public meeting at City Hall. It is anticipated that the City Council will consider this project at a meeting in the first quarter of 2024. More information about these meetings can be found on the city's website ([www.whitebearlake.org](http://www.whitebearlake.org)).

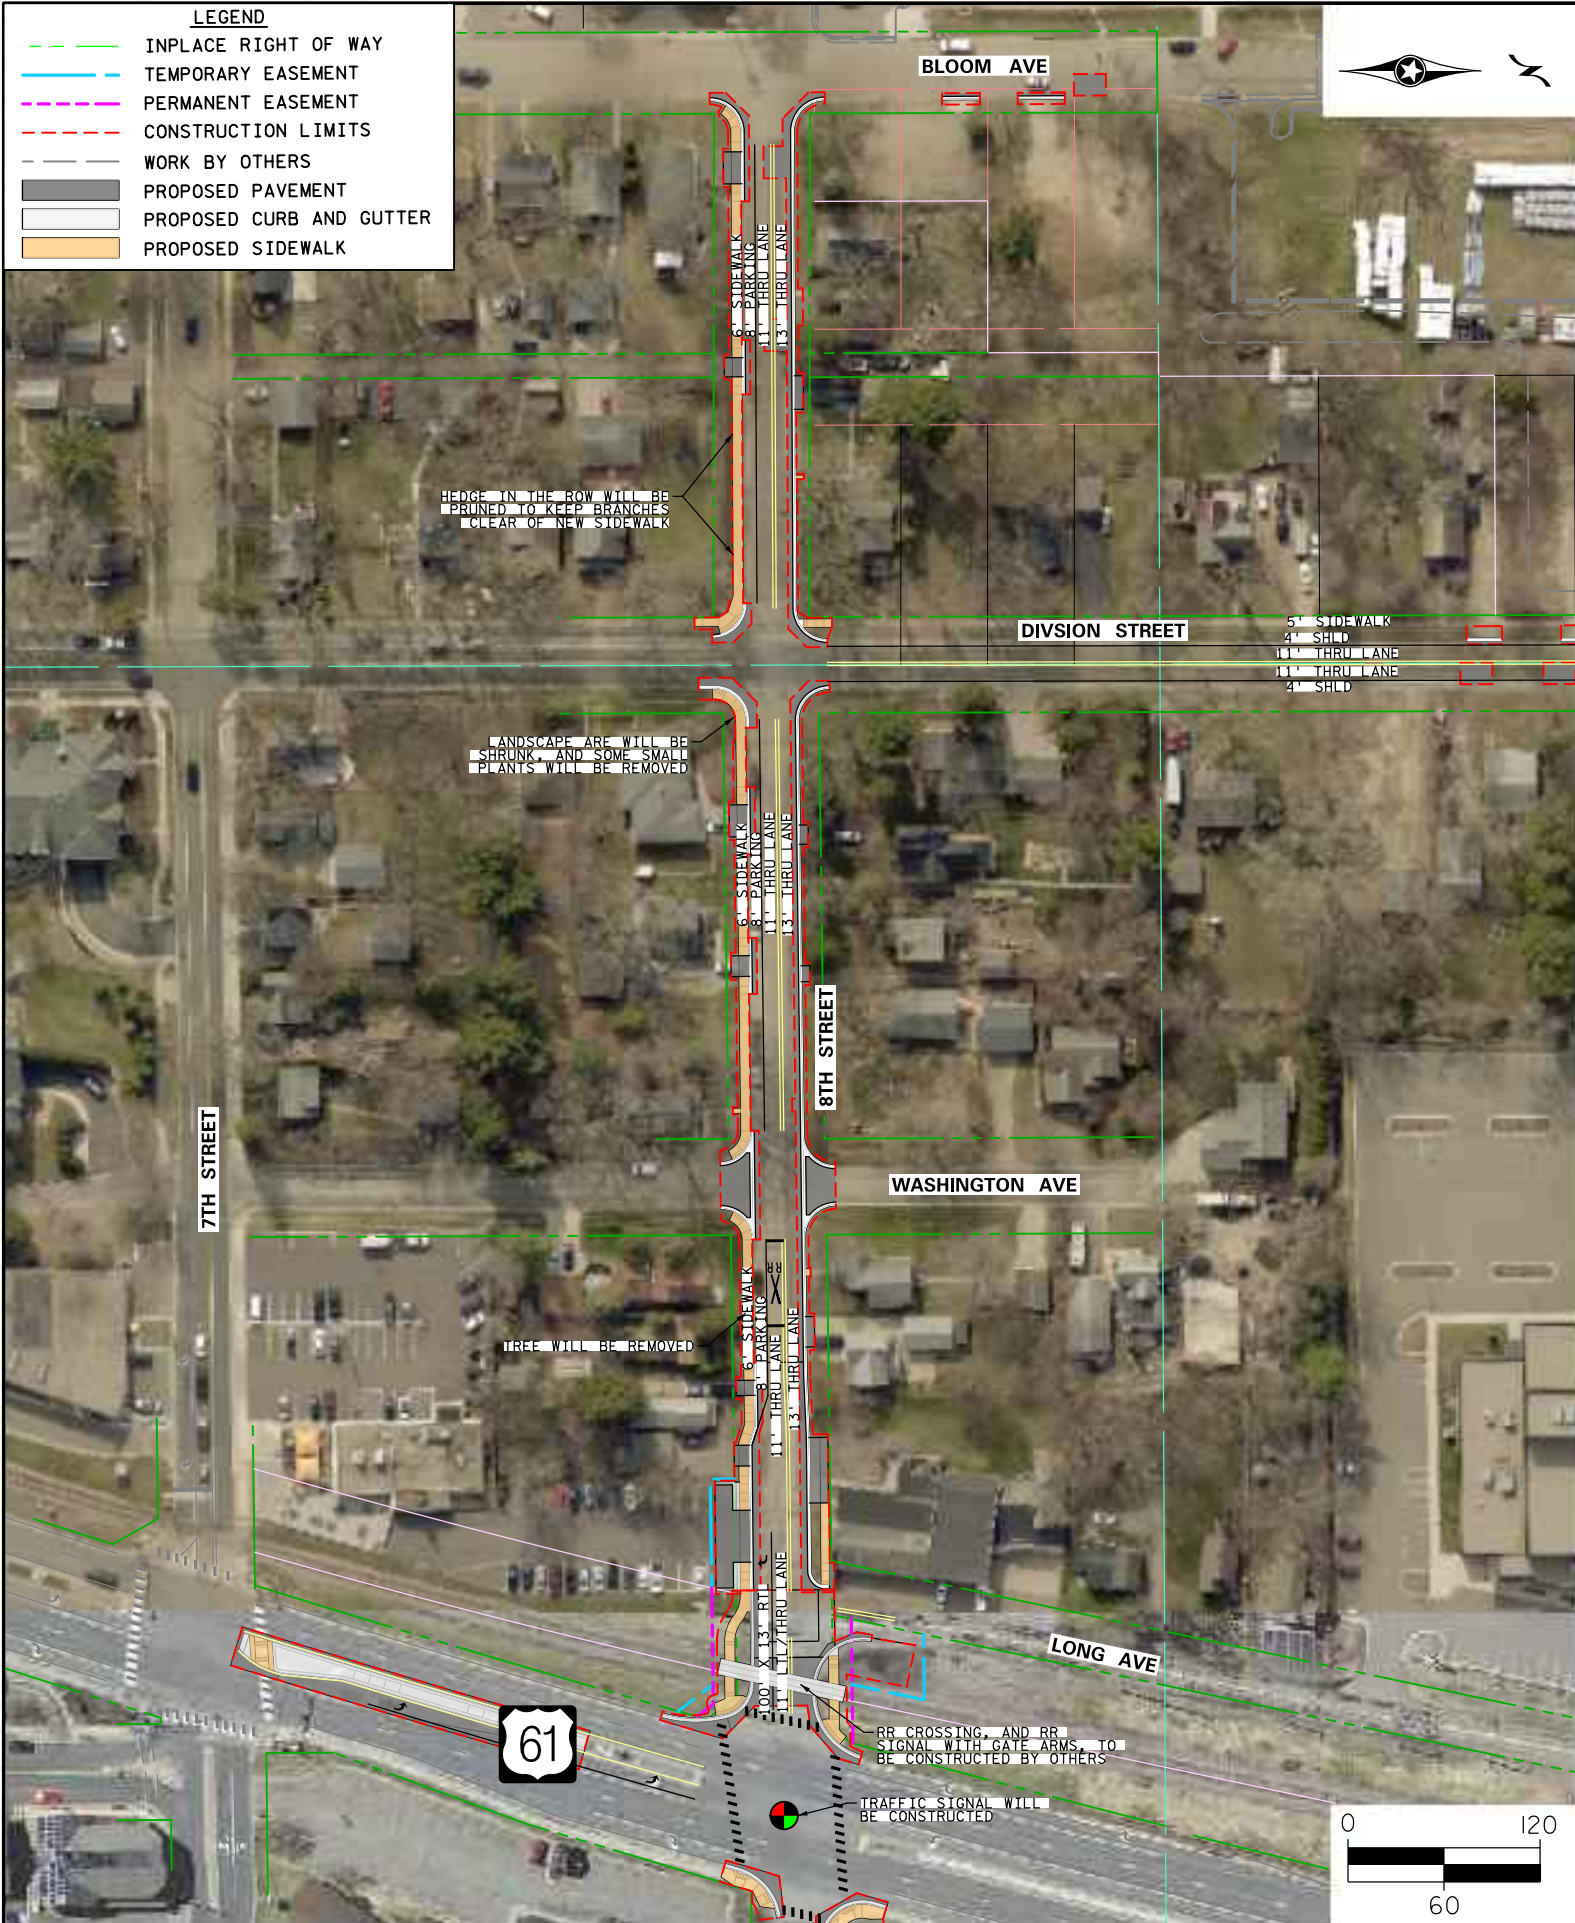

Sincerely,

Dr. Wayne A. Kazmierczak  
Superintendent

Tim Wald  
Assistant Superintendent for Finance and Operations
