### Insurance and affordability

You will not have to pay out of pocket for care.

Our staff can help you apply for insurance or other programs that will cover costs.

### Who can register to use the health center?

Registration will begin with TAF@Saghalie, Decatur High School, Lakota Middle School, and Federal Way High School students and will be expanded to other students of the district at a later date.

# THOMAS JEFFERSON SBHC

We're excited to announce the opening of the second School Based Health Center (SBHC) in Federal Way Public Schools!

The **Thomas Jefferson School Based Health Center** opened to students December 2021.

Federal Way Public Schools students at Thomas Jefferson High School have access to valuable health care services through the School Based Health Center (SBHC) at their school. It's open during the school year and the summer, too!

Healthcare services are provided by HealthPoint, a community health center that provides high-quality, affordable care at locations throughout King County.

Parents may register their student for a wide range of services such as

- Primary care
- Mental health counseling
- Physical and annual exams
- Sports physicals
- Immunizations
- Injury care
- Medication management and refills
- Nutrition education and counseling
- Specialty referrals
- Diagnostics testing

## Payment

Students do not have to pay out of pocket for care. HealthPoint staff can help with applications for insurance or other programs that will cover costs.
