Name: _____ Bell: _____

Pre-Calculus – Warrior Extended Learning Packet

Directions: This assignment is located in the back of your Pre-Calculus textbook in the appendix sections. Please make sure you do the following before completing each assignment:

1.) Read the lesson and the examples that are given in the textbook before each section that you are given.
2.) Read all directions to make sure you are answering each problem correctly.
3.) For each problem that is not a word problem WRITE THE QUESTION in addition to providing all work necessary to find the answer
4.) For each problem show ALL NECESSARY WORK to get full credit.
5.) All work must be neatly done and each problem is labeled.
