Alumni News

June 2023

Greetings!

I hope your summer is off to an excellent start! Our students celebrated the first full day of summer vacation on June 9th, after a round of year-end activities that included field day, the MSS Carnival, and of course, graduation.

33 eighth graders walked across the stage and beamed as they accepted their diplomas. The excitement level was high! They are poised and ready to move on to 8 different high schools and we wish them the best as they continue their education.

It's also exciting to hear from our class of 2019 grads, who are finishing high school and heading off for new adventures. In addition, we have lots of news about our 2015 graduates who have wrapped up their college years and are set to tackle the real world. In fact, we have so much good news, we can't list it all here, so instead [here's a link](#) that will take you directly to the updates from our graduates. I hope you'll take a minute to enjoy reading about all their accomplishments. I felt energized and excited as I read about all they've accomplished and their upcoming plans.

Enjoy your summer!

Class of 2021 News

Ripleigh Maring, MSS '21

I LOVE ice cream, and some sources even credit it

with being America's favorite dessert. And ice cream is especially wonderful on a hot day in the summertime. **Ripleigh Maring**, a sophomore at Delone, has tapped into that craving for ice cream with three ice cream shops that separate the different flavors into zones. They range from "Safety Zone" with traditional flavors like chocolate and vanilla to "We Dare You" with hyped-up flavors that are a little out of the traditional flavor market like ube/coconut to "We Double Dog Dare" unusual flavors like Buffalo Chicken or Buttered Popcorn. She also has a 4th zone of seasonal favorites or specialties depending on the year to round out her collection to 32 flavors.

Currently, she has locations in Emmitsburg (a stone's throw from MSS!), York, and McSherrystown. Ripleighs.com

This would be an impressive accomplishment for anyone but is especially impressive for a 16-year-old! Congratulations, Ripleigh, and I'm looking forward to trying the peanut butter caramel brownie chunk!

Ripleigh was interviewed by ABC27 News for her Taylor Swift promotion. To her surprise, she soon after actually received four dozen long stem red roses from Taylor Swift acknowledging her ERAS Ice cream collection. Now that's exciting!

We prayerfully remember the following

Wanda Topper, Class of 1976

Wanda Topper passed away unexpectedly on May 10, 2023. Wanda attended MSS with her siblings Sam (MSS 1975), Helen (MSS 1982), John (MSS 1983), Ron, Laura (MSS 1985), and Patrick. She is predeceased by her brother James (Butch) (MSS 1978).

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of all the faithful departed, through the mercy of God, rest in peace. ~Amen~
