

MOTHER SETON SCHOOL

— *Alumni News* —

September 2023

Hello Jennifer,

Happy Fall! Although I've already seen Christmas items in the stores (Really, Costco?) I'm focused on the cooler weather and the sights and smells of autumn. Our students have settled into their routine, and we have an enrollment of 367 from 3-year-old preschool through 8th grade. The school is alive and humming with the voices of lively children and it feels great to have our MSS family together again!

Please read on to see what our recent and more seasoned alumni have been up to!

Happy Fall!

The trip included a stop in Munich for Oktoberfest, as well as a trip to Medjugorje in Bosnia and Herzegovina, a site famous for its apparitions of the Virgin Mary. The group was celebrating several of their 60th birthdays and doing so in style!
