

## **District AMI Day Expectations 2023-2024**

### **Student Responsibilities**

All of our students will have distance learning on an AMI day from 9 a.m. to 3:40 p.m., with a break from noon to 1 p.m.

Students should check their online learning platform (Schoology or Seesaw) at 9 a.m. to see what teachers have planned for the day.
