### Principal's Message

I hope that everyone had an enjoyable and relaxing Thanksgiving break. Hard to believe, but now we only have two weeks left before final exams and then Winter break. This weekend is a great time to check in with your student about their academic progress and what is coming up in classes in the next few weeks. If you have questions about a specific class or if your student needs academic support, please reach out to teachers directly so that they can share information and make sure that your student is prepared for upcoming final exams. Also, I strongly encourage students to attend drop in tutoring sessions, meet with their teachers during Academic Time on Wednesdays or Thursdays, and attend the CHS Cramfest on December 13th (details below).

Daniel Ryan  
Principal

## Getting to know your Centaurus Team

**Bruce Ruybal- Campus Safety & Security**

Dear Warrior Community,

It has been a pleasure in being part of the Lafayette community and Centaurus High School for the past six and a half years! I will be retiring from the BVSD on December 22, 2023. I have truly enjoyed every bit of this time at Centaurus High School. One of my passions in life is being able to help and support all students, especially the underserved.

I want to thank the community for welcoming me during these years. You have shown your gratitude to me by giving me coffee on cold days when I am outside, giving me food, gift cards and more. The best gift to me by you was thanking me for doing what I do everyday.

This was told to me by parents on a regular basis, thank you.

In closing, I will miss working with the students, staff, and the administration at Centaurus High School. Students, as you grow and mature, please make good choices, be kind to yourself and others, and be a good person.

My Best To Everyone,

Bruce Ruybal
