School Board Recognition of E.T. Booth Middle School Seventh-grader Mikaela Charles -- Named Cherokee County Water and Sewerage Authority Countywide Essay Contest Winner

Summary Explanation and Background

An E.T. Booth Middle School student is a countywide essay contest winner!

Seventh-grader Mikaela Charles was named the overall Cherokee County winner by the Cherokee County Water and Sewerage Authority for her entry into its annual essay contest.

This year's contest theme was “Imagine A Day Without Water,” and Mikaela earned a $100 prize and a gift bag from the Cherokee County Water and Sewerage Authority.

The judges praised Mikaela's entry for its use of a fictional story to illustrate the value of water and the importance of conservation, which she also embedded with factual details such as average daily water use. She wrote the essay as an enrichment activity in Ms. Everton's class earlier this school year.
