Attempted Luring in the Vicinity of Hamilton School

Dear Mount Vernon City School District Families,

This morning on their way to school, a student who attends Hamilton School was approached by a man in a white van and told to get in the vehicle. The student ran to a nearby neighbor's house. Fortunately, the neighbor was there and provided assistance.

The neighbor was able to get a photograph of the vehicle and the van's license plate. This information was shared with the Mount Vernon Police Department, who are actively investigating the event.

Parents are encouraged to have discussions with their children about exercising caution, being on high alert on their daily travels, and avoiding interaction with strangers.

We will communicate pertinent developments in this investigation as they become available and as appropriate.

Thank you.

Sincerely,

Dr. K. Veronica Smith, Ed. D.
Acting Superintendent of Schools
