Akron Public
Schools.

DRAFT

Agenda

- Purpose for Redistricting
- Buildings Impacted
- Attendance Zone Overview
- Enrollment
- Transportation
- General Q&A

DRAFT

What is Redistricting?

- The process of establishing school attendance boundaries
- Every residential address in Akron Public Schools is assigned an elementary, middle, and high school

DRAFT

Why are we proposing redistricting?

- Imbalance in enrollment
- School Closures
- Outdated School Facilities

DRAFT

Who determines scope of Redistricting?

- A recommendation is made to the School Board that redistricting is needed
- If the Board concurs, staff identifies anticipated impacted communities

DRAFT

Primary criteria

- Geographic proximity
- Projected enrollment
- Capacity
- Programmatic Changes

DRAFT

Redistricting Proposal

**Akron Public
Schools.**

DRAFT

Redistricting Proposal Overview

- Firestone Park Elementary, Essex, and Stewart Building Closure
- Relief to Harris-Jackson CLC Elementary School
- Barber CLC zone moves into part of Harris-Jackson CLC zone
- Seiberling CLC then provides relief to Barber CLC
- David Hill CLC moves into the Garfield Cluster
- Portage Path CLC moves into the Buchtel Cluster

DRAFT

ELP Program

- Early Learning Program (ELP) classrooms will be in every cluster
- Buildings are being identified based on space for ELP classrooms and to ensure regulations are met

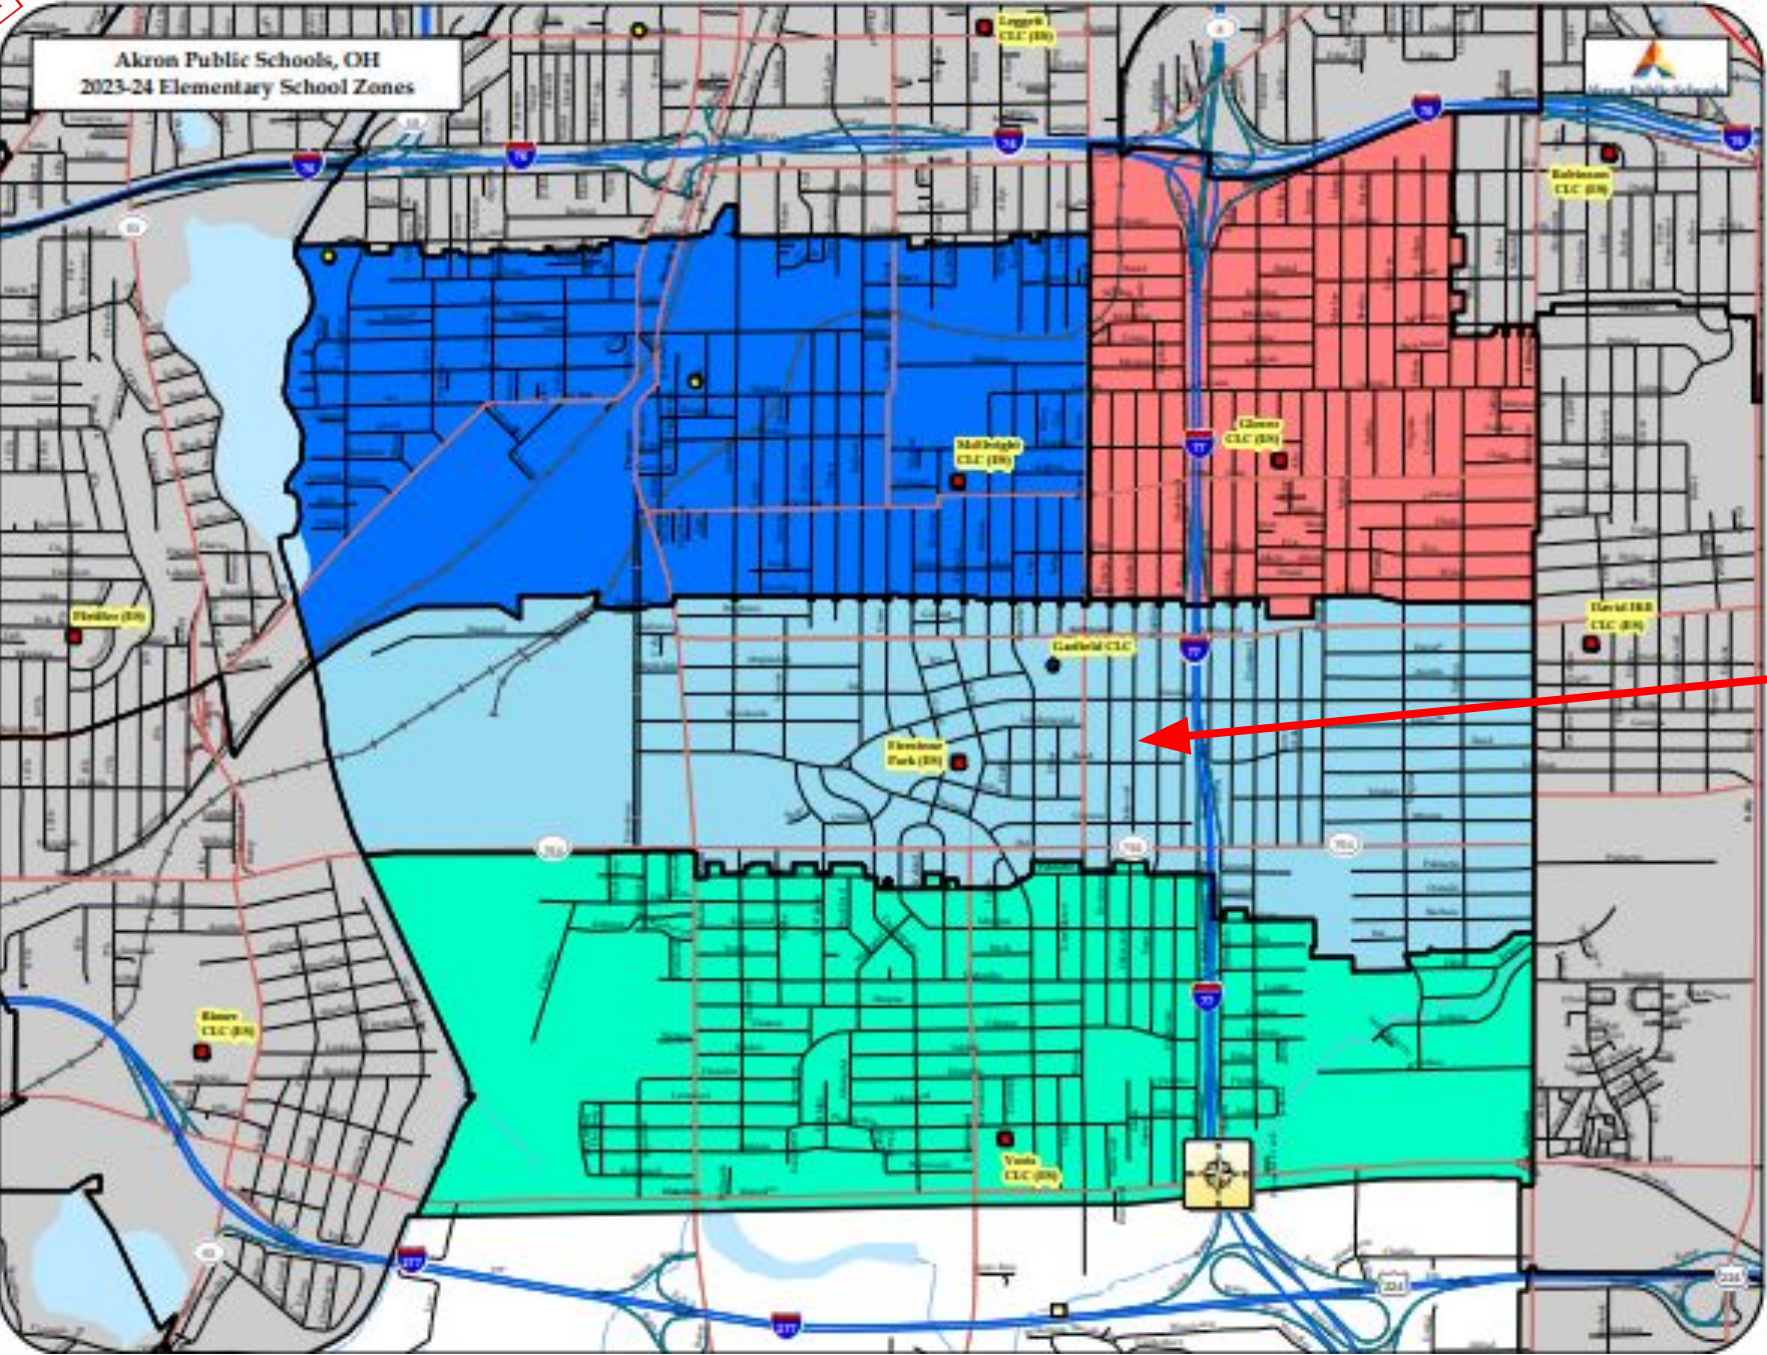

DRAFT

Firestone Park Elementary Building Closure

Proposed New Attendance Zones

Harris Jackson - Yellow

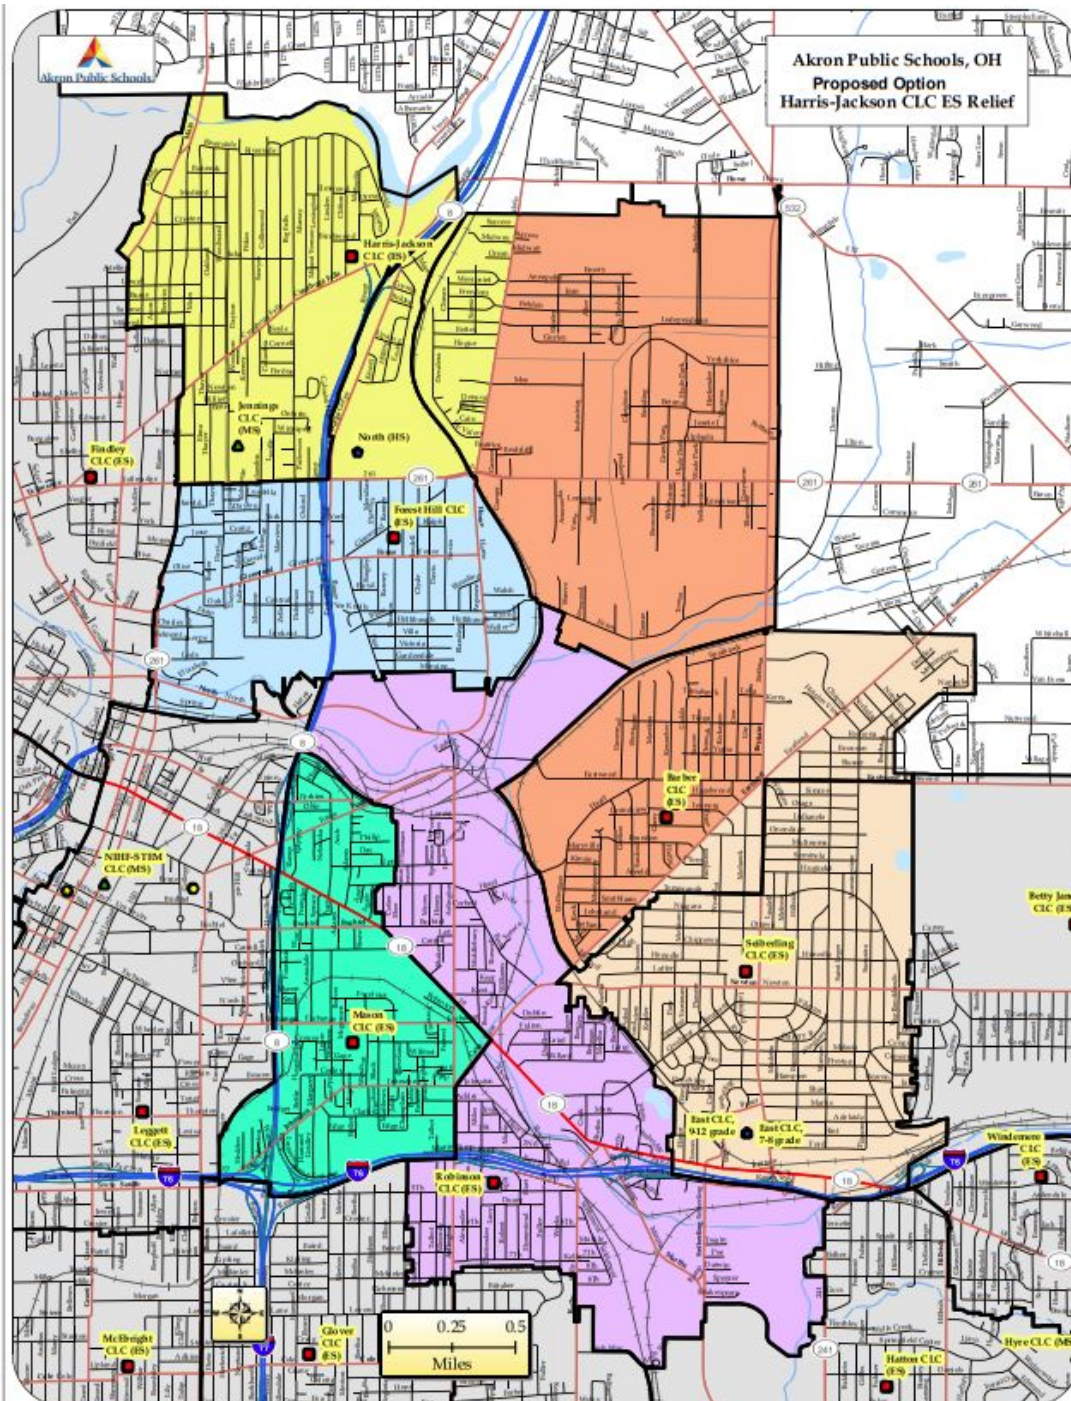

Forest Hill - Light Blue

Barber - Orange

Seiberling - Cream

Robinson - Purple

Mason - Teal

DRAFT

Enrollment

- Families will receive personalized communication about their new school (or cluster) assignment
- Families will have enrollment options
 - Special Open Enrollment
 - Continuity

DRAFT

Special Open Enrollment

- “Open Enrollment” is a process in which students can enroll in another school building other than the school assigned.
- The special open enrollment window specifically for the schools affected by redistricting will be January 29, 2024 - February 9, 2024.

DRAFT

Enrollment

Grades KG-8th

- Automatic enrollment to assigned school
- Can apply for special open enrollment

Grades 9th-12th

- Continuity will be automatically granted for **current** scholars in their respective high schools
- Can apply for special open enrollment

DRAFT

Middle School Implications

- **David Hill | East CLC to Innes CLC**
 - Students living in the David Hill area that currently attend East CLC will now attend Innes CLC
- **Harris-Jackson (Old Bettes area) | Jennings CLC to East CLC**
 - Students living in the Harris-Jackson area that currently attend Jennings CLC will now attend East CLC
- **Portage Path | Litchfield CLC to Buchtel CLC**
 - Students living in the Portage Path area that currently attend Litchfield CLC will now attend Buchtel CLC

DRAFT

Transportation

Review of Transportation Standards

- Ohio K-8 students residing less than 2.0 miles from assigned school building are not eligible for bus transport.
- High school students will continue to use METRO bus service.
- New bus routes will be determined based on new attendance boundaries
- Students who open enroll are not provided bus transportation
- Safety issues can be reviewed once required bus service routing is determined
- Special Education and McKinney-Vento transportation will continue to be met as required per student
