- LINKS Academy serving students at risk of dropping out, with 40 graduates last school year
- Creating Godley ISD Police Department for district-focused campus security
- Successful safety audit from independent agency and excellent state-required campus security inspections
- Expansion of Godley High School to include a four-story career and technical education center, competition arena and fine arts wing
- Superior rating from the Financial Integrity Rating System (FIRST) for fiscal management and transparency

WE BELIEVE!
GODLEY ISD!

Our Commitment to the Community

**Inspire, Empower, and Challenge All
Learners to Lead, Grow, and Serve**

A Message from Superintendent Dr. Rich Dear

In Godley ISD, our mission is to inspire, empower and challenge all learners to lead, grow and serve! While the state primarily focuses on standardized test scores, we are committed to what's important here in Godley. That is our commitment to you: a community-based accountability system that emphasizes our local values while still setting high expectations and rigorous standards established with input from parents, guardians and local residents.

What is the Community-Based Accountability System?

Our community-based accountability system is based upon the hopes and dreams of the Godley community and built around seven important pillars.

CBAS:

- is a locally-developed accountability system
- measures benefits and effectiveness of Godley ISD
- highlights district successes and areas for improvement
- incorporates state testing and accountability

Areas of Focus

- Academic achievement in math and literacy
- Early childhood education
- Resources and support for English learners
- Student attendance
- Students and teachers consistently engaged in quality learning
- Family and community engagement
- Stakeholder understanding of fiscal and operational systems

Community Report Coming in August

Seven CBAS Pillars

- 1 Student Learning and Progress
- 2 Student Readiness
- 3 Engaged, Well-Rounded Students
- 4 Community Engagement and Partnerships
- 5 Professional Learning and Quality Staff
- 6 Fiscal and Operational Systems
- 7 Safety and Well-Being
