Certified Staff PM Bus Duty

All first through eighth grade and SPED teachers will supervise the disposition of students at the end of the school day. Teachers will direct the loading of their assigned bus from 2:40 until the bus departs. The schedule will be reviewed each year.

One administrator will manage the morning student drop-off. The other administrator will manage the afternoon student pick-up. The afternoon administrator will direct traffic from the east side of Kris Jensen Lane at the northern-most sidewalk into the adjacent subdivision. Map attached.

RATIONALE:

Student safety and correct disposition is critical.

Having a teacher to direct the loading of each bus is efficient and accurate.

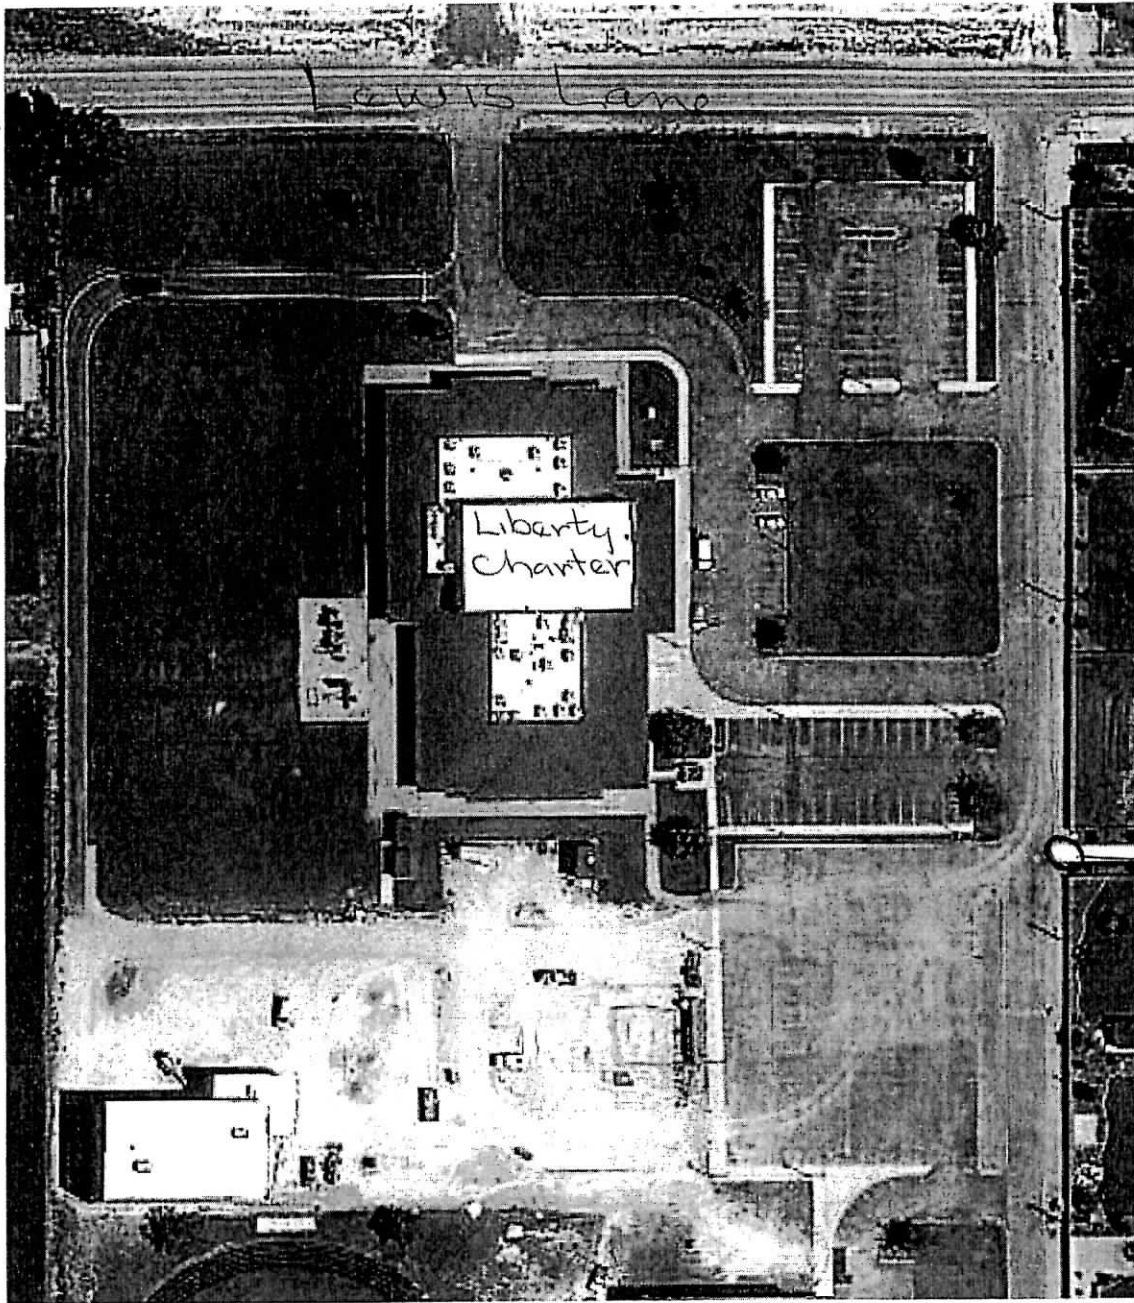

The authority a teacher represents encourages better student and parent behavior.

With administrator and teacher effort, buses, students and parents exit the grounds quickly and safely.
