### **Handbook Purpose**

This handbook has been developed for both students and their parents/guardians. Every effort has been made to summarize school regulations so that students and parents/guardians will have a basic understanding of the expectations for all students. Each student is accountable for the handbook's content. The policies in this document are subject to change due to the continuous review and revision of Board policies. The handbook, which is an extension of board policy, is designed to accomplish the following goals:

- To document school district policies and rules
- To serve as an informational guide for students and their families about the district and the school building
- To clarify the district and this building's processes and procedures in an up-to-date and easy to understand format

This handbook does **not** contain all of the rules or procedures under which North Polk Middle School is operated. For a complete list of the NPCSD Board Policies, please go to [www.northpolk.org](http://www.northpolk.org).

# Quick Overview of the NPMS Handbook

This is a brief overview regarding the most frequently asked questions and topics covered in the handbook. For complete details, see the handbook in its entirety by clicking on the middle school link at [www.northpolk.org](http://www.northpolk.org)

## ABSENCES

- If your child will be absent from school for any reason, please notify us before 7:45am on the day of the absence. Email is an option, but a phone call is the preferred method of notification.
  - Phone: 515-984-3400 ext. # 2200
  - Email: [jill.frey@northpolk.org](mailto:jill.frey@northpolk.org)
- If a student knows in advance that he/she will be absent, he/she should bring a note from parents/guardians to the office in an attempt to make up any work prior to the absence.

## ATTENDANCE

- Iowa law requires regular attendance.
- Parents and guardians are responsible to get their children to school. Consequences for tardiness and trancies will take effect after the third offense.
- If you want homework collected for the student, parents need to email the teachers and make arrangements to pick up the assignments in the office.
- Students must be in school by 11:45am to practice or play in competitions held after school. If a student misses school due to a medical appointment, a note must be provided from the medical office. Once the note has been received, then the student will be eligible to practice or play. See policy on page 7.

## COMMUNICATIONS

- Written notes or email are the preferred means of communicating changes in a student's normal daily routine.
- Notes should include clear details such as complete names, addresses, and telephone numbers in which to contact parents if verifications or questions arise.

## DRESS REQUIREMENTS

- Hats are never to be worn during the school day unless the principal has granted prior permission. Hats should be stored in the student's locker once they have entered the building.
- Clothing that exposes the mid section, open back, or chest will not be allowed.
- No shirts that are cut low, especially tank tops or strapless tops, exposing chest or undergarments will be allowed.
- Skirts and shorts that are exceedingly short will not be allowed.
- Other dress requirements can be found on page 8.

## SCHOOL HOURS

- Tuesday - Friday (8:15 AM - 3:15 PM)
- Late Start Mondays (10:15 AM – 3:15 PM) - BREAKFAST WILL BE SERVED
- Supervision is available 8:00 AM – 3:30 PM (unless with a teacher or a coach)
- Students should not arrive before 8:00 AM and should be picked up by 3:30 PM.
- Students should go directly to their designated area when arriving at school.

## **ACADEMIC ELIGIBILITY**

Athletics and activities at NPMS are a privilege for students and they must meet the academic requirements to be eligible to participate. Eligibility will be calculated in the office every two weeks for all failing grades (a composite "1.5" or lower on standards-based reporting)

These guidelines are for extracurricular activities.

- Students who are failing a class (a composite "1.5" or lower on standards based reporting) are put on the warning list. Students are still eligible to participate while on the warning list.
- If a student is still failing the same class after being on the warning list for two weeks, they are deemed academically ineligible. A student deemed ineligible may practice, but may not travel with the team or perform.
  - *Note: band and chorus for grades 7 and 8 are considered co-curricular courses with a portion of their course grade based on concert participation. Not meeting standards in a course other than chorus or band will not prevent the student from participating in NPMS concerts.*
- When a student raises their composite mark to a "2" or higher for that particular class, they are eligible to participate if they are not on an ineligible list for other classes.
- Students who fail a class at the end of a trimester will not be allowed to participate in their two consecutive sponsored activities.
- Parents will be notified by the NPMS office via email if their child is on either the warning or ineligible list.
- Eligibility resets after each trimester.

## **OFFICE DETENTIONS**

- An office detention is a detention that is assigned or approved by the building principal. Office detentions can be served either before or after school. Arrangements will need to be made with the building administrators. Students will be allowed the following amount of time to complete their office detention, unless arrangements have been made in advance with the principal:
  - Amount Assigned and Days to Complete

30 minutes	2 days
45 minutes	3 days
- Students must report to detention on time.
- Failing to serve detention in the allotted time may result in an additional detention or a suspension.
- Students will be expected to read or work on assignments while serving detention.
- All students are responsible for arranging their own transportation to and from school.

## **ACTIVITY SHUTTLES**

- Activity shuttles are available after all extra-curricular activity practices. Activity shuttles are ONLY available for those students who are participating in after school activities and are NOT to be used by students who are staying after school to serve detention or make up class times with a teacher.
- All shuttle information is located on the MS website under the students tab.

## **VISITORS**

- ALL parent and adult visitors MUST sign in and out of the MS office upon arrival and departure.
- The principal must approve all school visits.
- Students may have visitors eat lunch with them at their assigned lunchtime, but visitors will not be allowed to attend classes with the students.
- Duration of visits will be at the principal's discretion.
- Parents are not to escort or pick up their children from the classrooms without office approval.

## **MISCELLANEOUS**

- Parent addresses and phone numbers will not be given out at school.
- Changes to contact information can be made in the Infinite Campus Parent Portal.

### **Homework**

[\*\(Board Policy series 600\)\*](#)

Students who do not complete homework that has been assigned may be required to stay after school. After school arrangements must be made with the teacher **ahead** of time. All students are responsible for arranging their own transportation from school.

### **Study Hall**

[\*\(Board Policy 503\)\*](#)

- Bring all needed materials with you.
- Be respectful of self and others.
- Work silently – completing a classroom assignment, studying or reading a book.
- Follow adult directions.

### **Attendance Policy**

[\*\(Board Policy 501.03\)\*](#)

According to the Iowa Code, it is the responsibility of the parents/guardians to ensure that their student attends school. Regular attendance and punctuality are vital to academic success. **Students must attend all classes and study halls unless their absence is authorized.**

**The school day starts at 8:15 AM and ends at 3:15 PM.**

### **Absences**

Sometimes it is necessary for a student to be absent from school. Parents/guardians are requested to call or email the school secretary by 8:00am on the day of an absence and explain the reason that his/her child will not be in attendance. If a student knows in advance that he/she will be absent, he/she should bring a note from the parents/guardians to the office and attempt to make up any work prior to the absence.

A parent/guardian **MUST** call each day the student is ill. If notification is not received, the office will attempt to contact the parents/guardians. If contact cannot be made to confirm the absence, it will be considered truant. All absences must be reported within one day of the absence to be considered excused. Students who miss three or more consecutive days due to illness will be required to provide a doctor's note for those absences. A student must be in school by 11:45am in order to participate or play in competitions held after school. If a student misses class for a medical appointment, and a note from the medical office is provided, the student will be excused and eligible to practice or play that day. Other exceptions to this policy can be made with the approval of the principal before the absence occurs.

#### **Procedures to be followed for absences (excused or unexcused)**

##### **After 10 accumulative absences:**

- Personal contact will be made, and the parent will receive a letter expressing concern regarding the number of absences the student has accumulated.
- The letter will be generated by the North Polk Administrative Assistant to the Principal, signed by the principal and mailed to the student's home.
- An entry will be made in Infinite Campus to note that contact has been made in regard to the student's absences.
  - o Event Name: Excessive Absence
  - o Behavior Resolution: Attendance Letter -10 day

##### **After 18 accumulative absences:**

- Personal contact will be made, and the parent will receive a letter expressing concern regarding the number of absences the student has accumulated.
- The letter will be generated by the North Polk Administrative Assistant to the Principal, signed by the principal and mailed to the student's home.

### Absences (continued)

At this time, a conference may be required with school officials for student support where an attendance contract may be developed by the team with timelines, expectations, and success indicators. This conference may include the student, parent, principal, school counselor, nurse, student advocate, and truancy officer.

- An entry will be made in Infinite Campus to note that contact has been made in regard to the student's absences.
  - Event Name: Excessive Absence
  - Behavior Resolution: Attendance Letter
- AND
  - Event Name: Excessive Absence
  - Behavior Resolution: Attendance Mediation

Notes: A conference could be by phone, home visit or school conference. In extreme or unusual circumstances of student absence, the principal may choose to adjust the above procedures.

**\*\* After 20 days, absences will be marked unexcused, unless a doctor's note has been provided to the office.**

**\*\* Chronic absences may result in referral to the Polk County Truancy Courts.**

### Make-Up Work

Students who will miss school due to a planned absence are encouraged to contact their school/teacher prior to their absence to discuss homework arrangements. Work that has been assigned ahead of time and is completed after returning to school could be considered late. If a student is gone for one to two days due to illness, they can make up their work upon their return. For each day of school absence a student will get two days to make-up their work. This only applies to assignments and projects, which have been assigned during a student's absence. Assignments and projects, which have been previously assigned, will be due upon student return.

### Inclement Weather or School Closing

[\(Board Policy 711.08\)](#)

As soon as a decision is made regarding canceling or delaying school, it will be posted on the North Polk website, [www.northpolk.org](http://www.northpolk.org), the NP messaging system, and local television networks.

### Tardies To School

A tardy is defined as arrival to school after the published start time. **Any student arriving to school after the school day has started, MUST report to the office immediately upon his/her arrival.**

Students who are tardy to school will be addressed as follows:

- 3<sup>rd</sup> tardy to school will result in:
  - Parent Communication
- 5<sup>th</sup> tardy to school will result in:
  - Lunch/Office Detention
- 7<sup>th</sup> tardy to school will result in:
  - Administrative intervention

### Tardies to Classroom

Once students have exceeded 5 tardies per semester, a range of consequences may occur. Ex.: a warning, lunch detention, before or after school detention.

### Truancy

[\(Board Policy 501.10\)](#)

Truancy from school or class is the same as skipping. It is any unacceptable absence from school. Students who are truant to school or class will be handled on a case-by-case basis with a range of consequences that could include, but are not limited to detentions, suspensions, and expulsions.

# Student Life

## **Abuse of Student by a School Employee**

*(Board Policy 402.3)*

- Physical or sexual abuse of students, including inappropriate and intentional sexual behavior, by employees will not be tolerated. The definition of employees for the purpose of this policy includes not only those who work for pay, but also those who are volunteers of the school district under the direction and control of the school district. Employees found in violation of this policy will be subject to disciplinary action up to and including discharge.
- The school district will respond promptly to allegations of abuse by investigating or arranging for the investigation of an allegation. The processing of a complaint or allegation will be handled confidentially to the maximum extent possible. Employees are required to assist in the investigation when requested to provide information and to maintain the confidentiality of the reporting and investigation process.
- Mr. Matthew Blackmore is the Level One Investigator for the district. An alternate investigator is Mrs. Amelia Clark.
- Mr. Jim McDonald is the Level Two investigator for the district.

## **Academic Integrity**

Academic dishonesty “cheating” is prohibited, and includes but is not limited to:

- Looking at or copying another student’s schoolwork
- Allowing another student to look at or copy your work
- Copying from sources without proper citation
- Use of electronic devices during testing
- Lying to school staff
- Violating copyright laws

Academic consequences for academic dishonesty may include, but are not limited to the loss of partial or complete credit. Disciplinary consequences for academic dishonesty may include but not limited to detentions, suspensions, and expulsion.

## **Arriving Late/ Leaving Early**

*(Board Policy 503)*

If a student arrives to school after 8:15, or leaves before 3:15, they are required to stop in the office and sign in or out. All students need to have parent/guardian permission to arrive late or leave early. Parental/guardian permission is best granted by a note that the student will bring to the office. The office will also accept emails and phone calls.

## **Attire and Personal Appearance**

*(Board Policy 502.1)*

Students are to maintain a high degree of personal grooming and wear clothing conducive to an educational atmosphere. The students’ appearance should focus on safety and be reasonably non-distracting to the learning environment. While the primary responsibility for appearance rests with the students and parents, the district staff reserves the right to determine what does and does not meet the dress code during the academic day.

Examples of attire that would meet the dress code:

- Footwear with a hard sole
- Headbands
- Shirts with the bottom seam at or near the pantline

Examples of attire that would NOT meet the dress code:

- Baseball caps, stocking hats, and hoods (exceptions for religious garments)
- Clothing displaying alcohol, tobacco or drug advertisements or paraphernalia
- Clothing with images, logos or phrases conveying crude, defamatory, profane, racist, violent, vulgar, or sexually suggestive messages
- Shirts that expose excessive midsection, open back, or chest
- Shorts that are exceedingly short
- Sunglasses (unless medically necessary)

*\*Exceptions may be approved by High School Administration in advance and in writing for special dress up days.*

When in the discernment of staff, a student’s appearance does not meet the dress code:

- The student will be required to change to meet the dress code
- Subjective conversations will be made with at least two staff members present
- The initial conversation when students are not meeting the dress code for the first time will be supportive in nature and solution oriented
- Subsequent conversations may result in school consequences and communication to families

## **Bullying and Harassment**

[\*\(Board Policies 502.503\)\*](#)

Treating others with respect is a top priority at NPMS. All school employees are responsible for promoting understanding and acceptance of others within the school setting. It is a violation of the policy for students to harass other students or staff through conduct of a sexual nature, or conduct designed to reduce the dignity of that individual with respect to age, color, creed, national origin, race, religion, marital status, sex, sexual orientation, gender identity, physical attributes, physical or mental ability, ancestry, political party preference, political belief, socio-economic status, familial status, or any other form of harassment. Students who feel that they have suffered harassment shall report the incidence to a teacher, counselor, or building administrator. NPMS is required to document and report all bullying/harassment cases whether found or unfound.

According to Iowa Code section 280.28, the definition of bullying/harassment is “any electronic, written, verbal, physical act or conduct toward a student which is based on any actual or perceived trait or characteristic of the student which creates an objectively hostile school environment that meets one or more of the following conditions:

- Places the student in reasonable fear of harm to the student’s person or property.
- Has a substantially detrimental effect on the student’s physical or mental health.
- Has the effect of substantially interfering with the student’s academic performance.
- Has the effect of substantially interfering with the student’s ability to participate in or benefit from the services, activities or privileges provided by the school.

### **1<sup>st</sup> Offense: Bullying**

- A range of consequences beginning with a detention and ending with three days out of school suspension.
- Counseling suggested.
- Law enforcement may be notified.

### **Additional Offenses:**

- A range of consequences including, but not limited to detentions, suspensions, and expulsion.
- Counseling suggested.
- Law enforcement may be notified.

## **Career Plan**

[\*\(Board Policy 504\)\*](#)

The State of Iowa requires all 8<sup>th</sup> grade students must have a 4-year “Career Plan” in place. The school counselor will work with each 8<sup>th</sup> grade student and their parents to develop their MAP – My Academic Plan. This plan will be updated on a yearly basis.

## **Complaint Procedure**

[\*\(Board Policy 502.4\)\*](#)

It is the goal of the Board of Education to resolve student complaints at the lowest organizational level. Typically, this means that the initial discussions are with the student and the teacher, coach, or sponsor. If the matter is not resolved, the student will be directed to Mr. Jon Richards at jon.richards@northpolk.org. If Mr. Jon Richards cannot resolve the matter, the student may contact the superintendent, Mr. Kline. The student may request to have the matter placed on the agenda of the Board of Education’s regularly scheduled agenda if the superintendent is not able to resolve the matter.

## **Day 1 / Day 2**

[\*\(Board Policy 601.2\)\*](#)

At NPMS an alternate day schedule will be used for multiple classes. It is the responsibility of the student to know which day it is and to be prepared for those classes.

## **Educational Records and Rights**

[\*\(Board Policy 506.1\)\*](#)

- The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:
- The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.
- Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.
- Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment.

## **Educational Records and Rights (continued)**

Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

- The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.  
One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.
- A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

## **Electronic Devices**

### **(Board Policy 503)**

Electronic devices including, but not limited to, cell phones, IPADs, IPODs, cameras, etc., may not be seen, heard, or used at any time during the instructional day, which includes: lunch, passing periods, during classes, and restroom breaks.

During school hours (8:15am – 3:15pm), ear buds should not be worn by students around the school, except when being used as part of class instruction.

Smart watches may be worn during the instructional day, however; if the smart watch becomes a distraction during class students may be asked to remove the watch. Smart watches may be treated as an electronic device with the consequences below.

Students who choose to bring an electronic device to school must store it in their academic locker and have the item(s) turned off. The exception would be if a teacher asks students to bring their cell phone to class for learning purposes.

### **Electronic Devices (continued)**

**The use of electronic devices and cell phones are strictly forbidden in restroom and locker room areas. If a student is in violation of this policy, disciplinary action decided upon by the principal will be enforced. Any exceptions to the above must have prior approval from administration.**

# Health, Well Being and Safety

## (Board Policy 507)

The NPMS places a strong emphasis on safety at school. The district serves many purposes, not the least of which is keeping students free from harm. The district stresses the importance of everyone in the school to conduct themselves carefully and with concern for their own safety and the safety of others. Students are encouraged to notify teachers or the administration of risks of injury or harm to themselves or others.

## **Communicable and Infectious Diseases**

Students who have an infectious or communicable disease are allowed to attend school as long as they are able to do so and their presence does not pose an unreasonable risk of harm to themselves nor does it create a substantial risk of illness or transmission to other students or employees. Students must be kept home if they have a temperature of 100 degrees Fahrenheit or above, are vomiting or experiencing diarrhea. In order to return to school, a student needs to be fever free and vomit/diarrhea free for 24 hours without medication to resolve their symptoms. Please keep them home until they are feeling well enough to make it through a full day of school.

## **Dental Screenings**

Iowa law requires a dental screening to be completed on every student entering 9th grade. The screening needs to be completed by a dentist or a dental hygienist and recorded on the Iowa Department of Public Health Certificate of Dental Screening, which can be found on [www.northpolk.org](http://www.northpolk.org) under the enrolling students tab.

## **Illness or Injury at School**

A student who becomes ill or injured at school must notify a teacher or another staff member and then visit the school nurse as soon as possible. **Students should not contact parents on their own.** In the case of serious illness or injury, the school shall attempt to notify the parents/guardians according to the information on the emergency form. If the student is too ill or injured to remain in school, the student will be released to the student's parents or with parental permission, to another person directed by the parents. **Failure to follow these guidelines may result in a range of behavior consequences.**

## **Immunizations**

Iowa Immunization Law requires parents to vaccinate children as a condition to enrollment in any school in Iowa. Parents/guardians must submit an Iowa Department of Public Health Certificate of Immunization to the school nurse. It is the parent's responsibility to see that this certificate of immunizations is completed and signed.

## **Physical Examinations**

Students must have a current physical examination on file in the office in order to practice and/or compete in NPMS athletic activities. Physical forms are available in the office.

## **Medications**

Students may need to take prescription or non-prescription medication during school hours. **Students are not permitted to carry medication at school.** Students needing to take any medication during school hours must complete the NPMS medication form. Both the form and the medicine must be given to the school nurse. Instructions on administering the student's medication must also be specified on the medicine form for the school nurse.

## **Nurse**

The primary mission of the school nurse is to remove health barriers to learning. If a student becomes ill or injured during the day, the teacher will excuse the student from class to go immediately to the nurse's office. If it is necessary for a student to go home, the parents/guardians will be contacted and arrangements will be made for the student to go home. No student will be sent home until arrangements have been made. We will honor a parent note for one day of no PE participation; however, if there is a need for consecutive days of PE to be missed due to illness/injury a doctor's note is required. If a student is NOT able to fully participate in PE for the day, he/she will NOT be allowed to participate in any after school activities.

## **Visitors/Guests**

- Prior to visiting the classroom, all visitors must notify the office of their presence and sign in on the visitor's log sheet. They will be required to present a valid driver's license for RAPTOR use and be given a visitor's badge that must be worn throughout their stay in the building.
- School dances/socials are for the students attending this building only.
- A student must have advanced permission from the administration to bring a guest to any class or for lunch.

## **Volunteers**

Adult volunteers are always encouraged. Volunteers will be required to present a valid driver's license for RAPTOR use and be given a visitor's badge that must be worn throughout their stay in the building. The district reserves the right to restrict volunteers as a result of that check.

## **Emergency Drills**

Periodically the school may hold emergency fire, tornado, lock down, and evacuation drills. At the beginning and periodically throughout the school year, teachers notify students of the procedures to follow for drills. Emergency procedures and proper exit areas are posted in all rooms.

Students are expected to remain orderly during a drill or an emergency. Students who pull the fire alarm or call in false alarms, in addition to being disciplined under the school district's policies, rules and regulations, may be reported to law enforcement officials.

# **Athletics and Activities**

## **Academic Eligibility**

Athletics and activities at NPMS are a privilege for students and they must meet the academic requirements to be eligible to participate. Eligibility will be calculated in the office every two weeks for all failing grades (a composite "1.5" or lower on standards-based reporting) These guidelines are for extracurricular activities.

- Students who are failing a class (a composite "1.5" or lower on standards based reporting) are put on the warning list. Students are still eligible to participate while on the warning list.
- If a student is still failing the same class after being on the warning list for two weeks, they are deemed academically ineligible. A student deemed ineligible may practice, but may not travel with the team or perform.
- *Note: band and chorus for grades 7 and 8 are considered co-curricular courses with a portion of their course grade based on concert participation. Not meeting standards in a course other than chorus or band will not prevent the student from participating in NPMS concerts.*
- When a student raises their composite mark to a "2" or higher for that particular class, they are eligible to participate if they are not on an ineligible list for other classes.
- Students who fail a class at the end of a trimester will not be allowed to participate in their next two consecutive sponsored activities.
- Parents will be notified by the NPMS office via email if their child is on either the warning or ineligible list.
- Eligibility resets after each trimester.

## **Activities**

*(Board Policy 504.06)*

Students have multiple opportunities to participate in athletics and activities before and after school throughout the school year. Fine Arts practices for extra-curricular groups practice in the morning before school starts. Athletic teams practice after school and an activity shuttle is provided for all students after those practices. We will honor a parent note for one day of no PE participation; however, if there is a need for consecutive days of PE to be missed due to illness/injury a doctor's note is required. If a student is NOT able to fully participate in PE for the day, he/she will NOT be allowed to participate in any after school activities. Doctor's notes need to be specific when limiting activity participation. If notes do not specify the specific restrictions for the athlete, they will not be allowed to participate in ANY part of the after school practice or game.

## **Activity Shuttles**

*(Board Policy 711.03)*

The activity bus is provided for all NPMS students participating in after school extra-curricular activities. The shuttle will leave after practices and transport students to Sheldahl, Elkhart, and Polk City to designated drop off locations. Activity shuttle times can be found on the school website under the students tab.

- Elkhart – Post Office
- Polk City - West Elementary
- Sheldahl – Post Office
- NPMS South Drop Off – 56<sup>th</sup> & Hillcrest

## **Attendance/Participation**

Middle school students who are signed up for school-sponsored activities are expected to attend all practices and contests. We understand that our students may not be able to attend at various times due to illness, doctor visit, funeral, etc. In those circumstances, please remember to communicate with the school office. Students who sign up for a school-sponsored extracurricular activity have made a commitment to that team. Part of that commitment involves fully attending practices and events. If an out of school activity coincides with the school-sponsored activity, the student can choose to attend that out of school activity. However, with that comes the understanding that the student's playing time will be affected, and will be up to the coaches discretion on the circumstances of the situation.

## **Good Conduct Policy**

*(Board Policy 503.04)*

The North Polk School District has behavior standards for all students to be allowed to participate in school-sponsored activities. Using or possessing illegal drugs, vaping devices, alcohol or tobacco, or participating in illegal behaviors like theft or other criminal activity violates the Good Conduct Policy. Refer to the entire policy in detail in the activities handbook. If violation occurs, discipline consequences will be followed from the activities handbook.

## **Sportsmanship**

*(Board Policy 504.06)*

Extra-curricular activities are a privilege and sportsmanship is an important part of being a Comet and representing our school.

Sportsmanship is treating your teammates, coaches, referees, and opponents with respect. It is also learning to play within the rules and be both a respectful winner and loser while setting a great example for others to follow. Students who demonstrate poor sportsmanship may be removed from an event at the discretion of the supervising staff member(s).

Multiple violations may result in a student being restricted from school events and activities.

## **Suspensions**

Any type of suspension, in or out of school, results in the loss of the student's privilege to participate or attend school sponsored activities on the days the student is serving the suspension. This includes all but not limited to morning and evening practices, games, contests, and performances.
