Program Structure

- Eliminate testing for credit in 5th grade starting 2023 - 24
- Add 5th grade math in Spanish in 2024 - 25
*note Math 5/6 will be in English
- Offer Spanish 2A at HCMS & WRMS in 2024 - 2025

***Begin a 90/10 (90% Spanish & 10% English) model in kindergarten in 2024 - 25**

Anticipated questions

- If you feel 90/10 is a better model, why not move to that for next year, especially with current K?
- Why are you eliminating the Spanish 1 Credit at the end of 5th grade?
- Why do parents have to choose between Math 5 in Spanish and Math 5/6 in English?
- Will our current 5th graders be ready for Spanish 2A in middle school?
- Can students wait until 7th grade to take Spanish 2A?

CORE PRACTICES

For World Language Learning

Facilitate Target Language Comprehensibility

Students and teachers speak, listen, read, write, view, and create in the target language 90% or more during classroom time: comprehensible input, contexts, and interactions.

Guide Learners through Interpreting Authentic Resources

Present interactive reading and listening comprehension tasks using authentic cultural texts with appropriate scaffolding while promoting interpretation.

Design Oral Interpersonal Communication Tasks

Teachers design and carry out interpersonal communication tasks for pairs, small groups, and whole class instruction.

Plan with Backward Design Model

Instructors identify desired results THEN determine acceptable evidence THEN plan learning experiences and instruction.

Teach Grammar as Concept and Use in Context

Teach grammar as concept and use in context. Students focus on meaning BEFORE form.
