352 ADMINISTRATIVE COUNCILS, CABINETS AND COMMITTEES

The Board authorizes the Superintendent to establish such permanent or temporary councils, cabinets and committees, as he/she deems necessary for proper administration of Board policies. Membership on these committees shall be at the discretion of the Superintendent.

All councils, cabinets and committees will be for the purpose of obtaining to a maximum degree the advice and counsel of district staff, students and district area residents and to aid in district communication. Functioning in an advisory capacity, such groups may make recommendations for submission to the Board through the Superintendent. However, such groups will exercise no inherent authority. Authority for establishing policy remains with the Board and authority for implementing policy remains with the Superintendent.

Membership and responsibilities of councils, cabinets and committees will be defined by the Superintendent and may be changed at his/her discretion.
