

ACTIVITIES / ACADEMIC FINALS TESTING

I. PURPOSE

In order to allow proper preparation time for students to study for their “Finals” testing, the Park Rapids Area School District #309 is implementing this policy.

II. GENERAL STATEMENT OF POLICY

There will be no Park Rapids Area High School locally controlled group extra-curricular activities scheduled after 6:00 p.m. on the nights immediately preceding the three trimester testing schedules.

To assist in scheduling, the Park Rapids Area School Board will present two tentative one-year calendars by the Regular December Board Meeting of each year.
