PROGRAM DESCRIPTION

The NuView Academy is an alternate educational placement, approved by the New Jersey State Department of Education. This program represents a collaboration between the Educational Services Commission of New Jersey (ESCNJ) and Rutgers University Behavioral Healthcare. NuView Academy provides a free, appropriate, public education (FAPE), in the least restrictive environment (LRE) for students who cannot adapt to a traditional school setting because of severe behavioral problems, but who function academically at or near grade level. We accept both classified and non-classified students.

PROGRAM FEATURES

- Individualized education program for each student
- A positive therapeutic environment for students including individualized and small group counseling
- A positive behavioral management system, reinforcing acceptable behavior
- Full-Time psychiatrist onsite
- Regular communication and consultation with the local child study team, interdisciplinary treatment team meetings and close contact with the home of each student

PROGRAM GOALS & OBJECTIVES

In addition to meeting the core academic, curricular requirements of the individualized education program, our students:

- Participate in a psychiatric evaluation to determine current therapeutic needs
- Participate in family therapy to gain insights into their family dynamics and issues
- Learn self-management techniques
- Acquire cognitive behavioral skills training
- Participate fully in individual therapy to promote individual growth
- Obtain medication education for increased understanding of prescribed medications
