

## **702.1 PAYMENT OF FEES POLICY**

It is the policy of ISD 309 that all fees must be paid in full prior to participation in events, activities, programs and classes offered through the district.

Accepted forms of payment are cash, personal check, e-check, MasterCard, Visa or Discover credit cards.

If a minimum number of participants are required in order to hold a specific course, payment must be received prior to the registration date stated on the course offering. The district encourages the use of a credit card to secure placement.

In the case that an event, activity, program or class is cancelled all monies will be refunded, unless otherwise stipulated.
