### 12.4.23 RMS Robotics State Championship Tournament Results

Hanover, NH – Frances C. Richmond Middle School is proud to announce an outstanding placing in the NH Lego Robotics Championship Tournament, showcasing the exceptional talent and innovation of its robotics team.

Windham, NH played host to the prestigious NH Lego Robotics Championship Tournament on Saturday, December 4, 2023, where students from Frances C. Richmond Middle School demonstrated unparalleled expertise in robotics technology. The competition brought together forty-six schools from across the state, and Frances C. Richmond Middle School emerged as a leader.

Results for Frances C. Richmond Middle School:

#### **Robot Performance Award (High Score 3 way tie!)**

Robogeese and Music Masterminds

#### **Overall NH Champions Award**

1st Place - The **Happy Haptic Doctors** advance to the World Championships in Houston, TX

3rd Place - The **Robogeese** advance with an invitation to compete to qualify for World Championships

“It has been a pleasure watching these teams build on their experience and emerge on top. None of this would have been possible without the dedication of the students and parent volunteers who coach the teams,” said Tom Hermanson and Jess Warkentien, RMS robotics coordinators.

Frances C. Richmond Middle School remains dedicated to nurturing the talents of its students and providing them with opportunities to excel in STEM fields. The robotics win is a testament to the school's commitment to fostering innovation and preparing students for future success.
