

Professional Learning Communities

2023 - 2024

“An ongoing process in which educators work collaboratively in recurring cycles of collective inquiry and action research to achieve better results for the students they serve” (DuFour, DuFour, & Eaker, 2002).

The Purpose

- To improve the skills and knowledge of educators through collaborative study, expertise exchange, and professional dialogue.
- To improve the educational aspirations, achievement, and success of students through stronger leadership and teaching.

Key Elements –

- *Focused on whole child success and learning*
- *Data-driven*
- *Collaborative*
- *Goal-focused*
