Biography

Hello, my name is San Juanita Hinojosa. I was born and raised here in the Rio Grande Valley. I graduated from Donna High School in 1988. I went on to attend college here at University of Texas-Pan American. In 2004, I earned my Bachelor of Science with a Social Studies Composite degree. I began my teaching career in 2004, so this will be my 20th year teaching, but first year at STPA. I enjoy spending time with my family visiting state parks camping, hiking, kayaking and visiting all the historical sites Texas has to offer.
