- Harding, Central Washington; Como returning in January 2024

Send a Tip
Inspire students to think critically, pursue their dreams and change the world.

- **Mental Health Teams**: Inspired by a $40+ million investment, the Mental Health Teams have been established. These teams are equipped to support students mentally. The teams include experts from Social Emotional Learning (SEL) to support mental health.

- **Mental health teams**: Includes counselors, psychologists, and social workers, who work closely with students to address mental health issues. They provide therapeutic support, counseling, and crisis intervention.

- **Calming spaces**: These spaces are designed to create a peaceful environment for students to rest, reflect, or meditate. They are equipped with comfortable furniture, soft lighting, and calming decor.

- **Training and wellness opportunities**: These opportunities include workshops, seminars, and wellness events that promote mental health and well-being. They are designed to educate students on mental health awareness and provide resources for support.

**Mental Health Teams**

- Inspirational funding of $40+ million
- Interstate collaboration, teamwork, and partnership
- Mental health teams, counseling, and support
- Social Emotional Learning (SEL) for support

**Calming spaces**

- Designed to promote mental health
- Comfortable furniture, soft lighting, and calming decor

**Training and wellness opportunities**

- Workshops, seminars, and wellness events
- Mental health awareness and support
- Resource for mental health awareness and support
