

Sport Code Fast Loader

This program will provide the user with a way to fast load sport codes to students and also post date ranges that correspond with the sport season.

Menu Location

On the left navigation panel, select **Loaders > Student Master > Sport Code Fast Loader**.

Setup Options

 A screenshot of a dialog box titled 'Setup-10.12.2018'. It contains several input fields and buttons. The 'Year' field is a dropdown menu set to '1920'. The 'District' field is a dropdown menu set to '010'. The 'School' field is a text box containing '064'. Below these is a checkbox labeled 'Active Only' which is checked. The 'As Of Date' field consists of three dropdown menus for month ('Dec'), day ('18'), and year ('2019'), followed by a calendar icon. At the bottom, there are three buttons: 'Filters', 'OK', and a partially visible 'Cancel' button.

Year - Defaults to the current year. A prior year may be accessed by clicking in the field and making the appropriate selection from the drop down list.

School - Default value is based on the user's security settings. If the user is assigned to a school, the school default value will be their school site code.

Active Only and As of Date - These choices will list only those students who are actively enrolled as of the date selected in the date field.

OK - Click to continue.

Post Dates

Begin Date: Aug 13 2019 Overwrite

End Date: May 21 2020 Overwrite

To ADD a code:

1. On the bottom right, select the date range you need. You can also blank out the end date if needed by clicking in the month field and selecting the blank space. You may have to select "Overwrite" dates already exist for a code.
2. Add a code by clicking the blank cells under the Add column for each specific student. An * will appear in the column.
3. Select the sports code from the right side list that you want to assign to those particular students. Once you click the code, they should appear in the left side list next to the students name.

To edit existing Begin and/or End Dates:

- Click on the existing code and an asterisk will appear.
- Add the desired begin and/or end date and check the **Overwrite** checkbox in the lower right corner.
- Re-choose the original code and the begin and/or end date will display.

Left Column Headers

SIDNO - Student's identification number

Student Name - Student's full name

Grade - Student's grade of enrollment

School - School site number of enrollment

Code - Student's program code - Click in the **Code** field and an asterisk will appear.

Begin Date - Student's code begin date

End Date - Student's code end date

Add - Add new code.

To find definitions of commonly used column headers, follow this link: [Common Column Headers](#).

Right Column Headers

Code - Choose the sport code from the list on the right and the asterisk will change to that code.

Choose the appropriate begin/end dates using the **Post Dates** at the bottom. This will indicate the timeline that the student was in the program.
