Attendance in Calcasieu Parish – Revised 9/21/2017

I have attached revised instructions for attendance in JCampus. There are three changes:

- 1. Added **Report Cards** to the Perfect Attendance Report instructions.
- 2. Added 17 Harvey to the codes to skip for Perfect Attendance and Report Cards
- 3. Added **17 Harvey** to the list of available codes

The attached attendance information explains which JCampus attendance codes are available for use in Calcasieu Parish. The abbreviated list came as a result of the administration's goal for consistency across the district. Obviously, there will be scenarios that this document will not cover. If you have any questions, please feel free to contact me or your data clerk.

Please note the following:

- If you do not like the description of one of the JCampus attendance codes that are available you may change the description by doing one of the following:
 - o Click in the **Out Reason** from Post Attendance for checkouts.
 - Click in the **In Reason** from Post Attendance for checkins.
 - Click in the **Dr Reason** when entering a parent/dr note for a previous absence.
- There is no attendance code for Homebound. This is taken care of on the programs tab by using Program Code 17 Hosp./Homebound.
 - Using this code on the Programs tab will highlight the student in red to alert the office or teacher.
 - If an attendance code is entered for a student with Program 17 or Special Code HB, a warning will let the user know that the student is homebound
