

Dear Parents, Guardians, Teachers & Staff,

Becton Regional High School's Partners in Education (PIE) organization welcomes you to the 2023-2024 school year, and for those returning we thank you for your support last year! PIE provides an opportunity for anyone who would like to be involved in promoting the educational and recreational needs of our students by supporting programs that enhance the learning environment and school community. Being a PIE member is a great way to get involved in your child's school, work with other parents and teachers to build a successful school year, and even meet new friends.

Our organization works collectively to provide support to a variety of programs and clubs during the school year. This past school year we were able to provide several scholarships as well as contribute to other events such as the fashion show tricky tray, the Becton 5k Pack Team, and the senior breakfast. We would like to be able to give back even more this school year and we believe that is possible with your help.

Please know that there are many ways to contribute and attending meetings is not required. You may contribute as much or as little of your time as you would like. Whether you would like to send in a monetary donation or a baked good for one of our bake sales, submit a fundraising idea, chair a fundraiser, help at, or donate an item to the school store, etc., there is something for everyone.

For those of you who may not be aware, PIE proudly oversees our school store which is filled with school supplies, snacks, drinks, and spirit wear. The profits from this store are one of the things that allow us to contribute to various school organizations and help keep costs down for our Becton families. We are always looking for donations for the store such as cases of water, Gatorade, soda, and iced teas as well as snacks such as chips, cookies, beef jerky (popular item), and candy such as sour patch, swedish fish, airheads, M&M varieties, and Twix. These snacks help the kids get to their after-school activities with some energy to keep them going! We do like to rotate the inventory, so the kids do not get tired of the same old thing so if anyone has any ideas of new items for the store please do not hesitate to reach out and let us know.

We encourage you to join our organization and be an active part of your child's school community. **Membership Dues are only \$6.00!** If you are interested, please fill out the application form by clicking [HERE](#). We look forward to working with you and wish everyone a successful start to the school year!

Thank you for your support,

Becton Partners in Education
